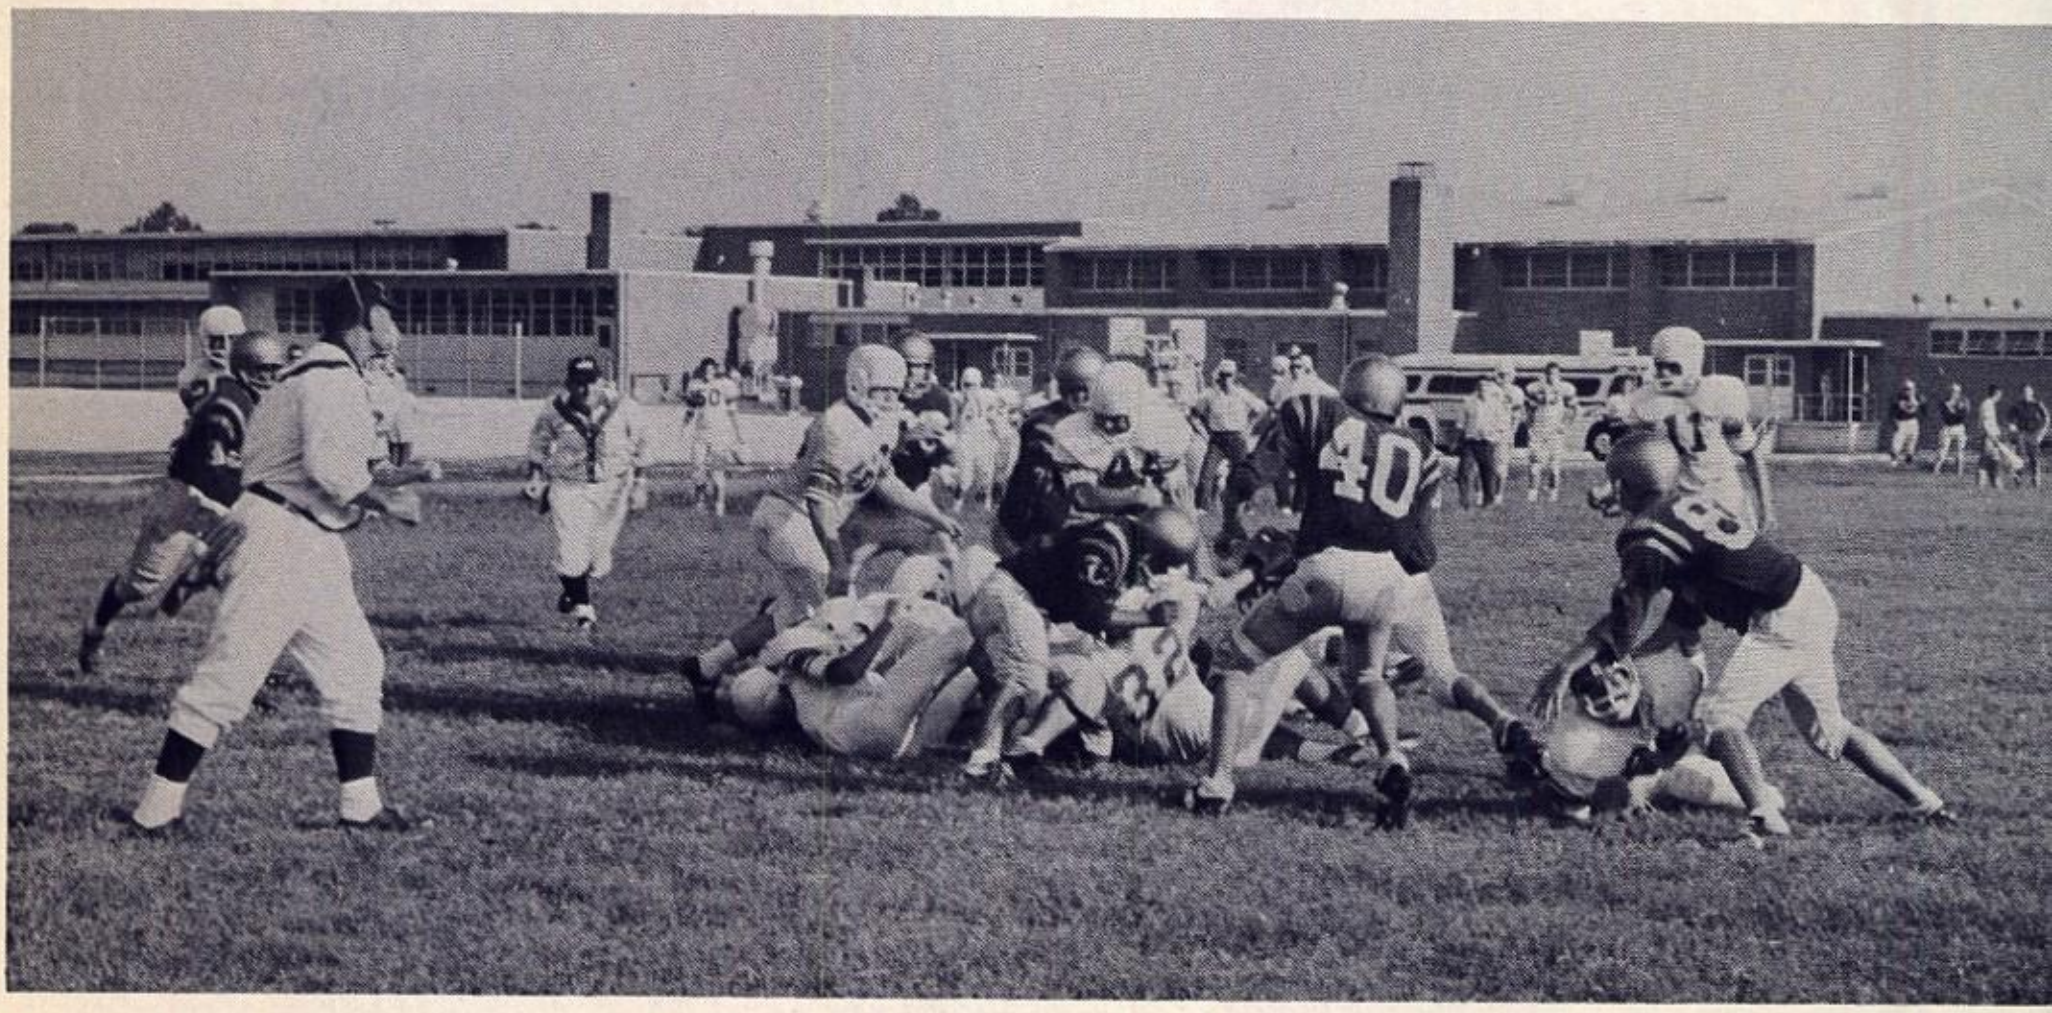
EHS—The School 'Written In The Stars'

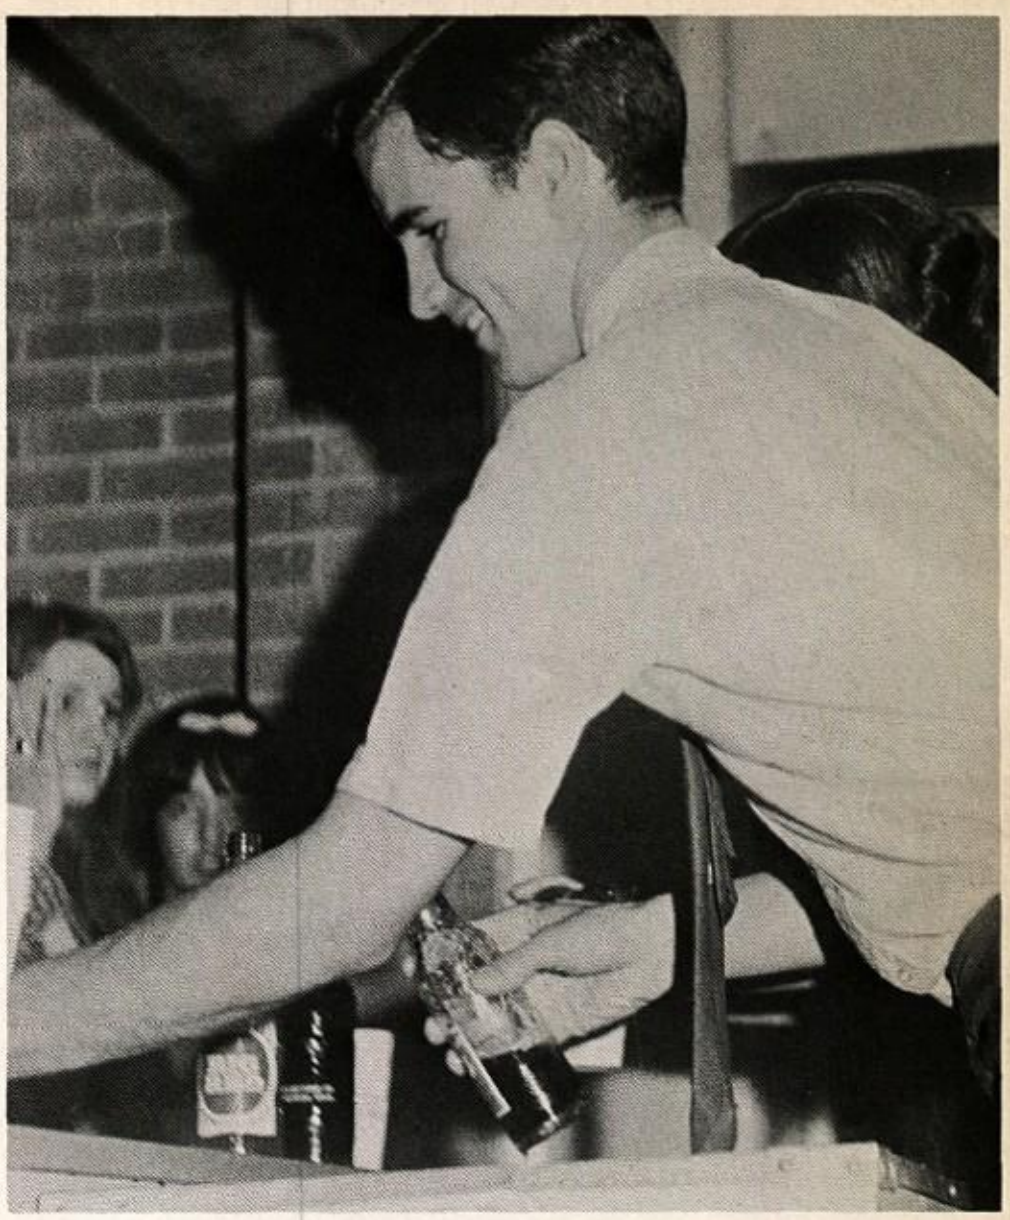
Edison's Junior Varsity footballers tackle a rough opponent in the Edison vs. Austin Travis game.



THE SKY IS a golden haze. In a few more minutes the sun will fade away and night will appear. As the sky darkens, millions of stars begin to glow and form into constellations created by the minds of men.

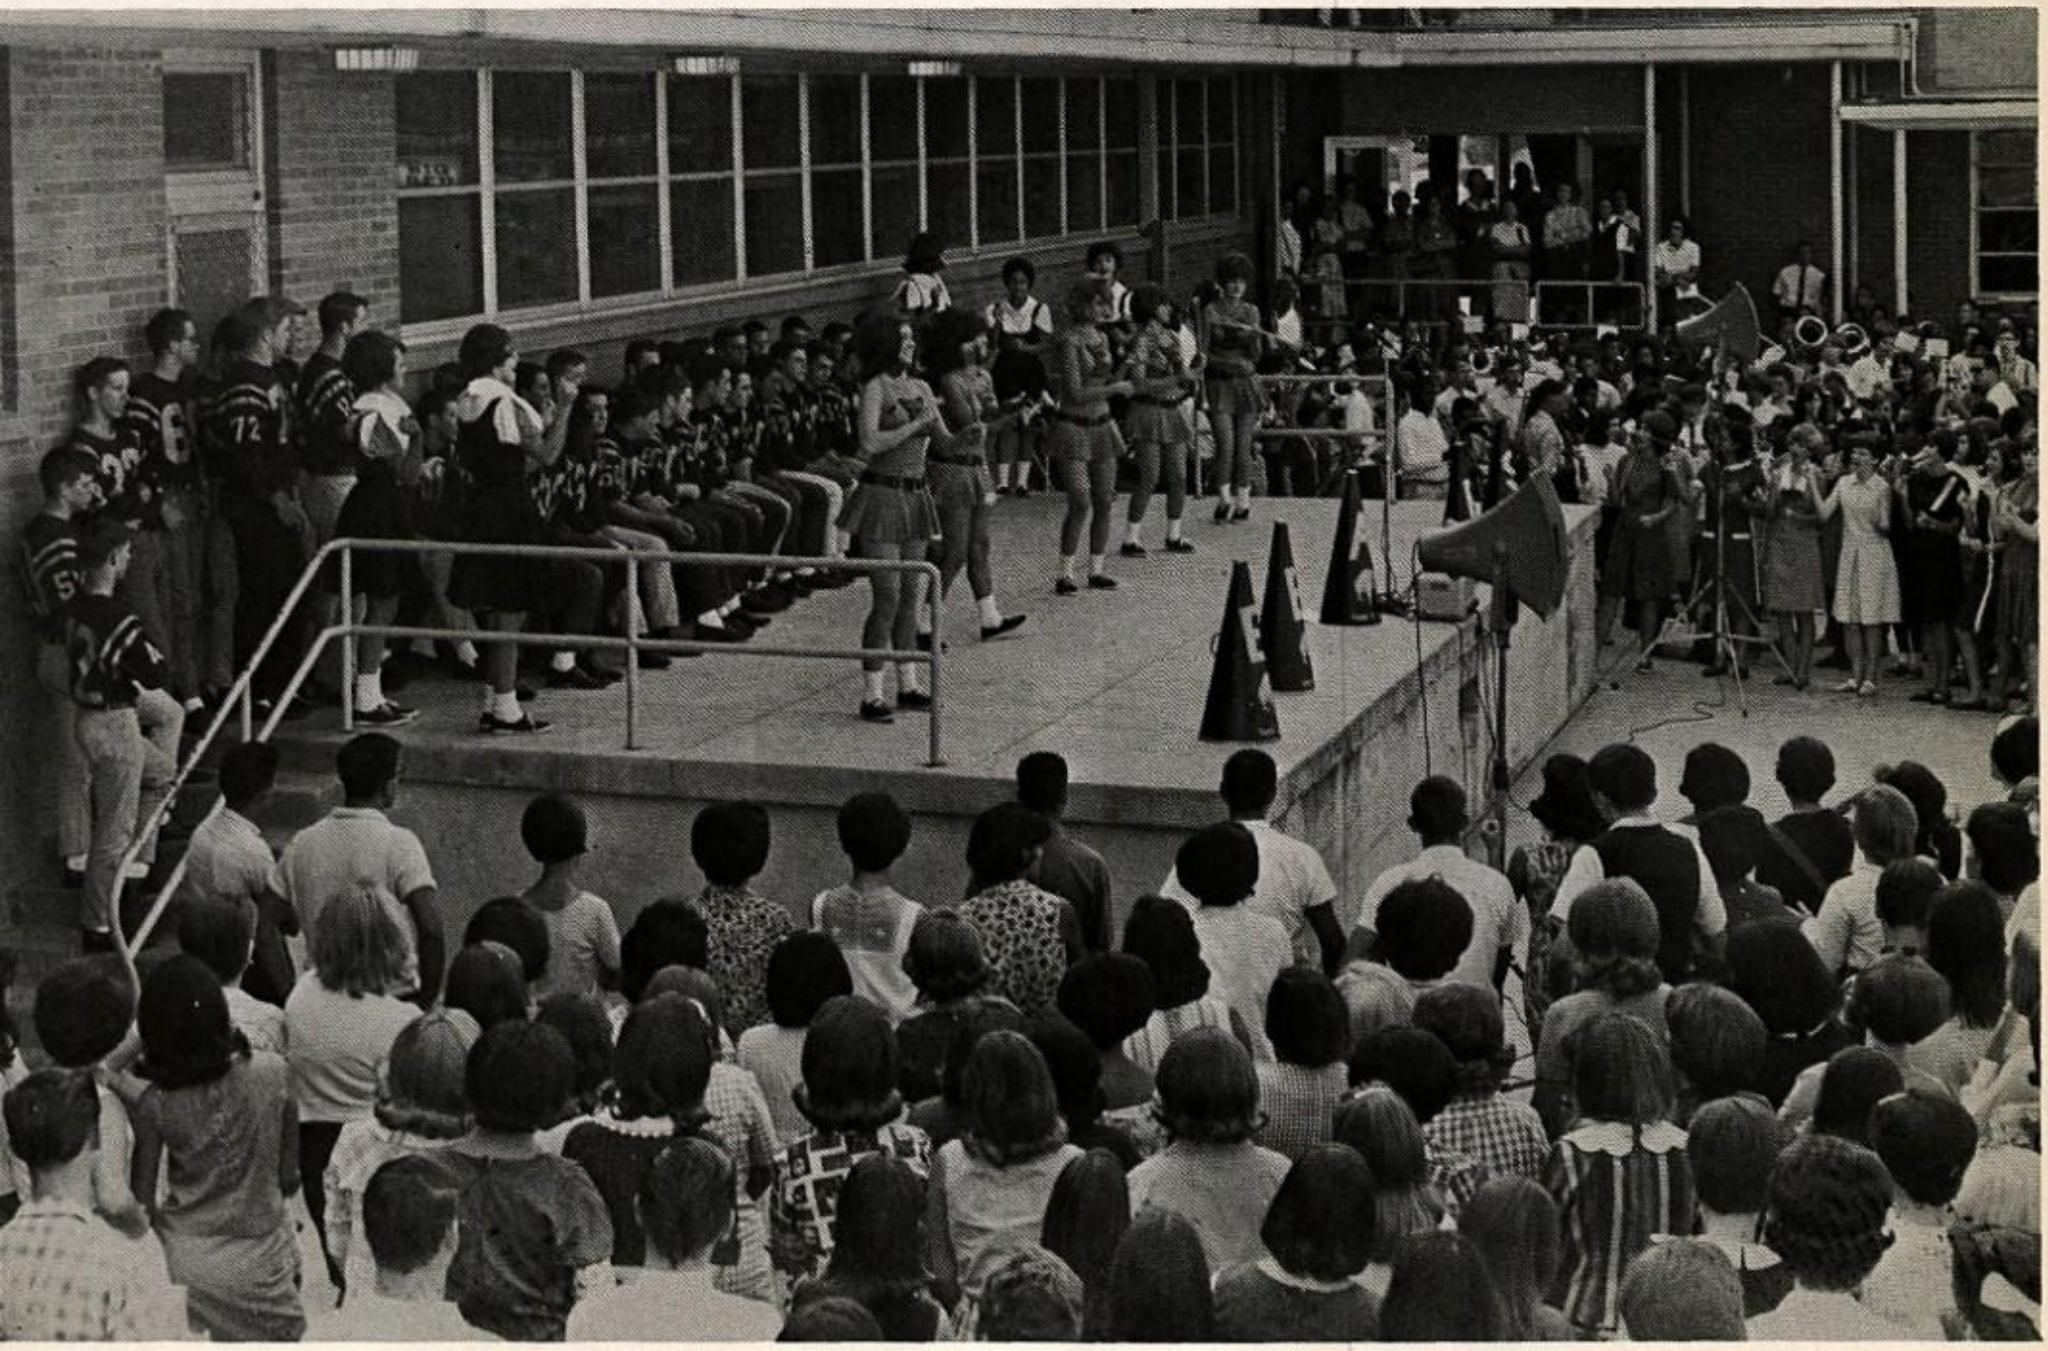
The most prominent constellation in the sky is Ursa Major, the Great Bear. The most prominent symbol of Edison's spirit is the Golden Bear.

As the people of centuries past turned to the sky for their predictions, we have adopted the constellations and the Zodiac, and the 1966-67 history of Edison High School will be WRITTEN IN THE STARS.



Roy Munsell, president of the student body, serves refreshments at the Howdy Hop.

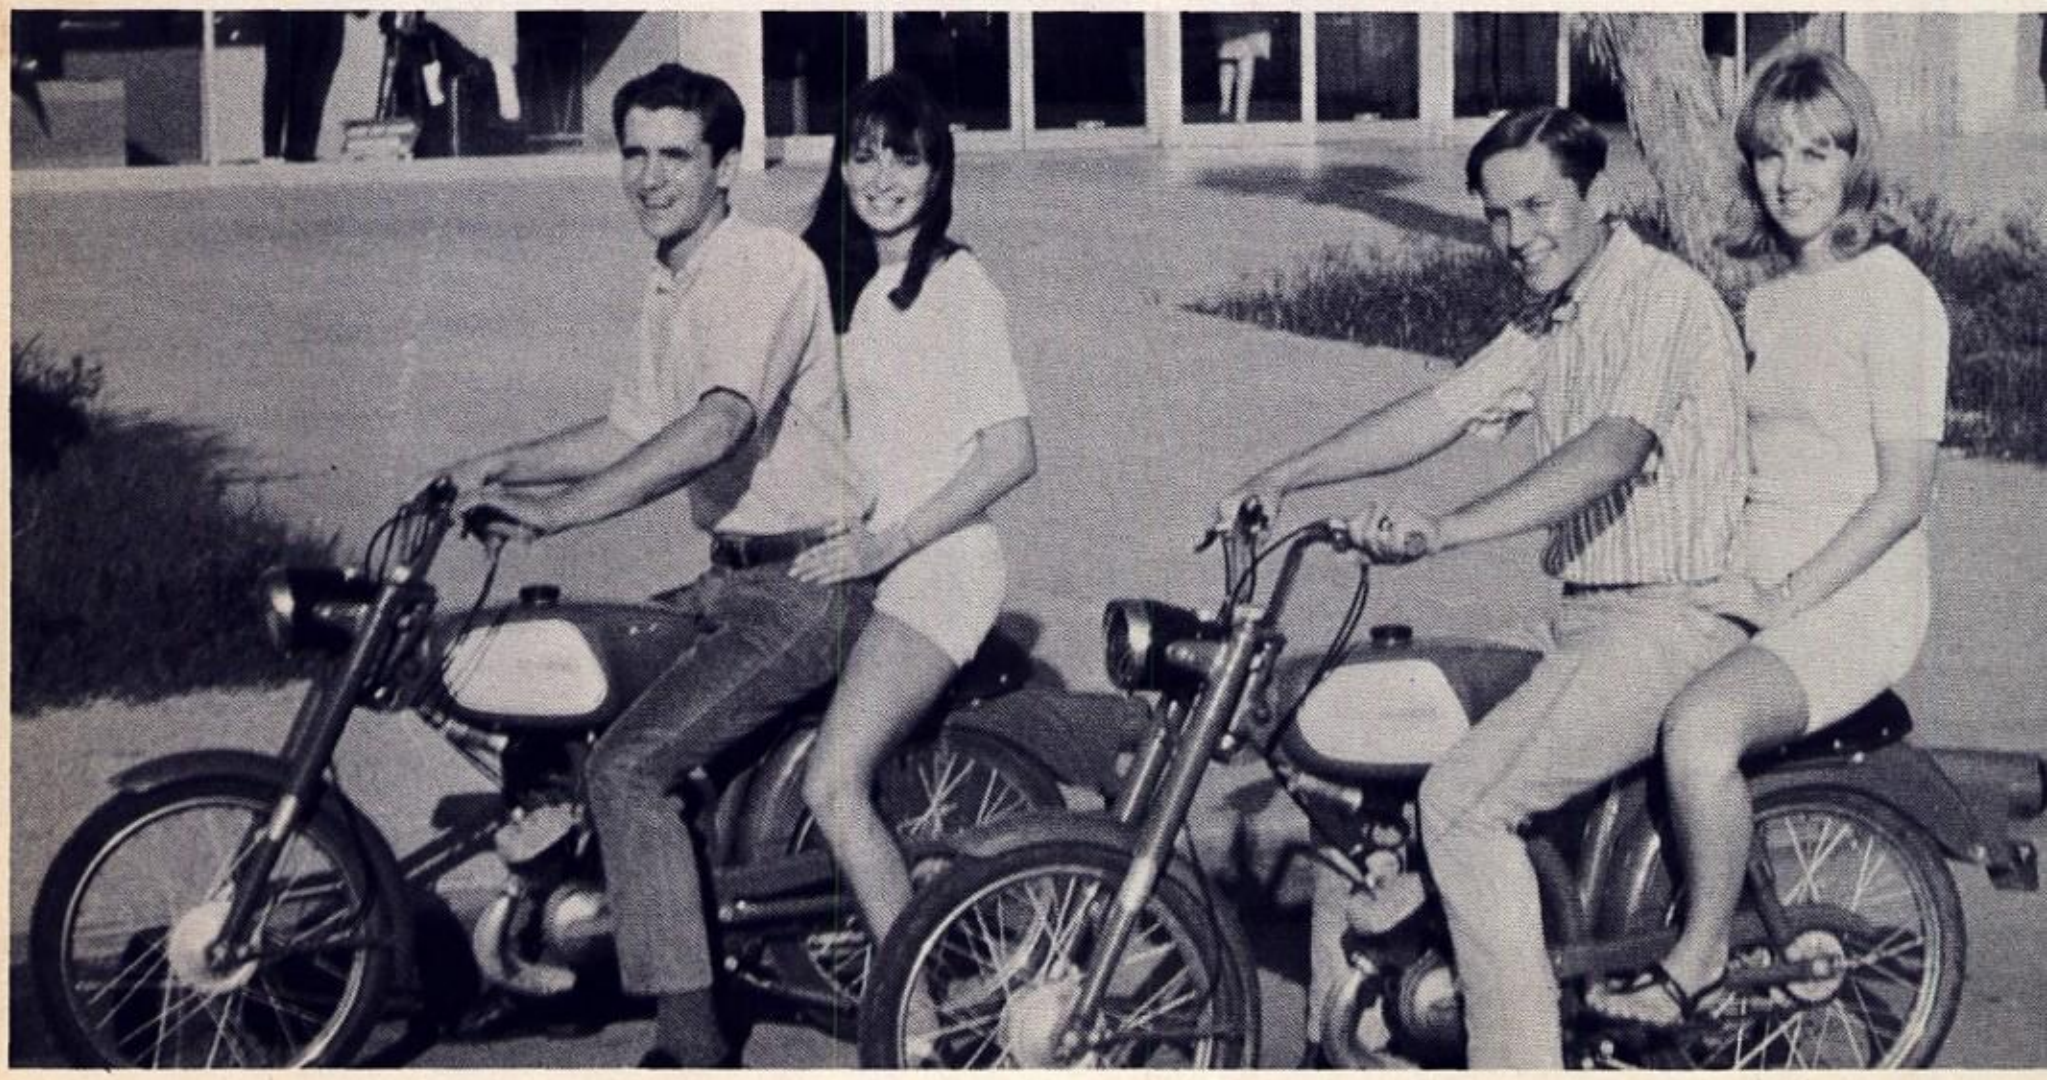
Majorettes perform at traditional pep rallies which boost spirit for the coming football games.



"A funny thing happened to me on my way to the forum..."

Judy Kouri, Merri Harrison, and Floyd Weiss leave the pool fo replacement of lost energy.

Roy Munsell, Carol Duderstadt, Charles Korbell, and Pam Pape spend a day on motorbikes.



eniors Mike Bryan, Pete Coleman, Rick Meyer, Emory Jones, Melinda Meyer, and Carol Duderstadt gather around Bill Hamilton as he starts the fire for a backyard barbecue.

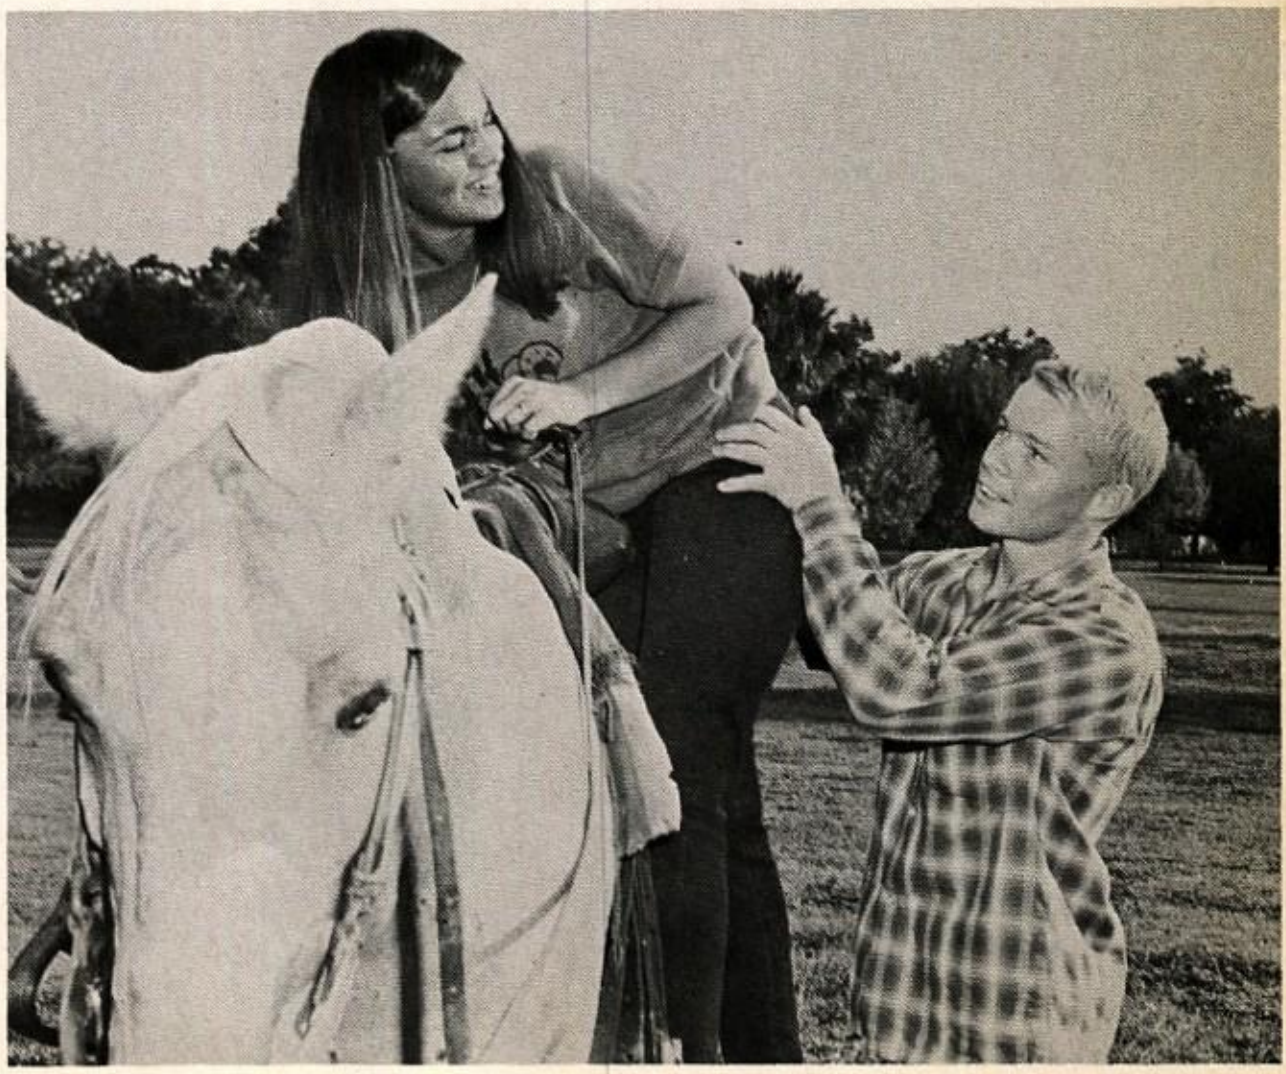
Edisonites Participate In Many Summer Activities

UNDER THE SUN and the stars our summer passed. With just three short months vacation, Edison students made the most of it. We swam, danced, played golf, and did a thousand other things.

But like everything good, it ended. August 31 arrived and marked the end and the beginning.

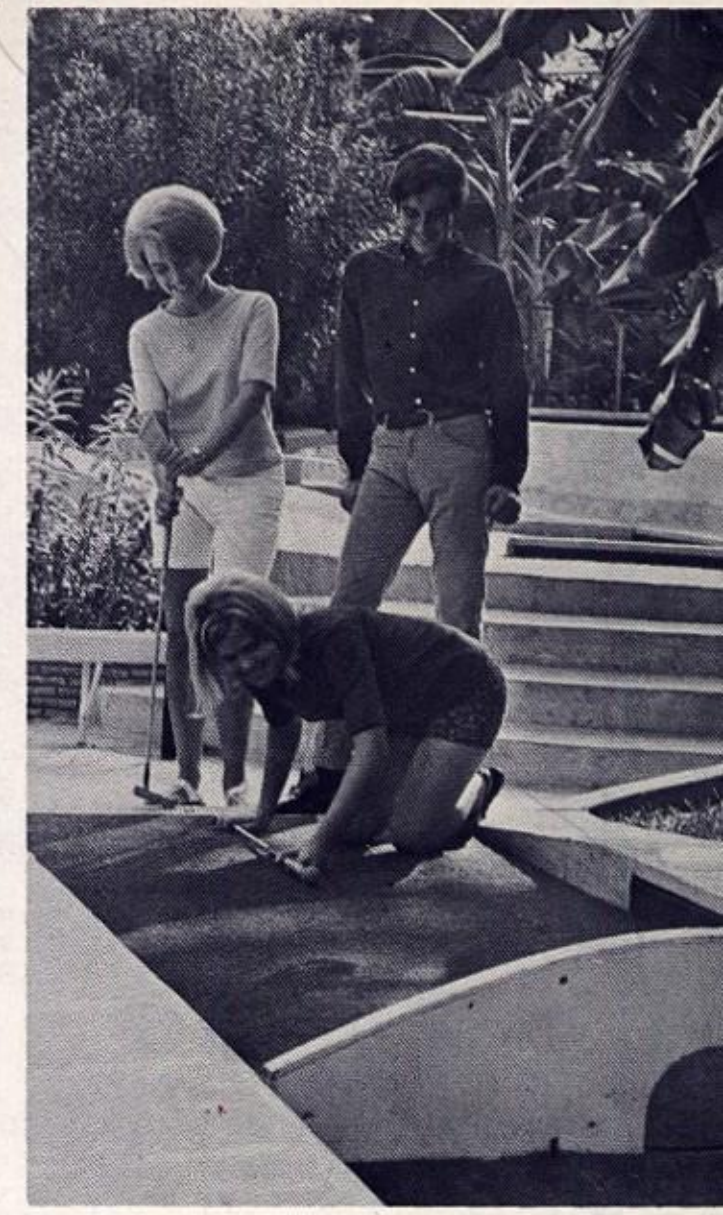
The beginning of football games, pep rallies, color day, dances, club activities, and the sunrise on our future.

Mike Hill gives Terry Wright a boost up on the horse.



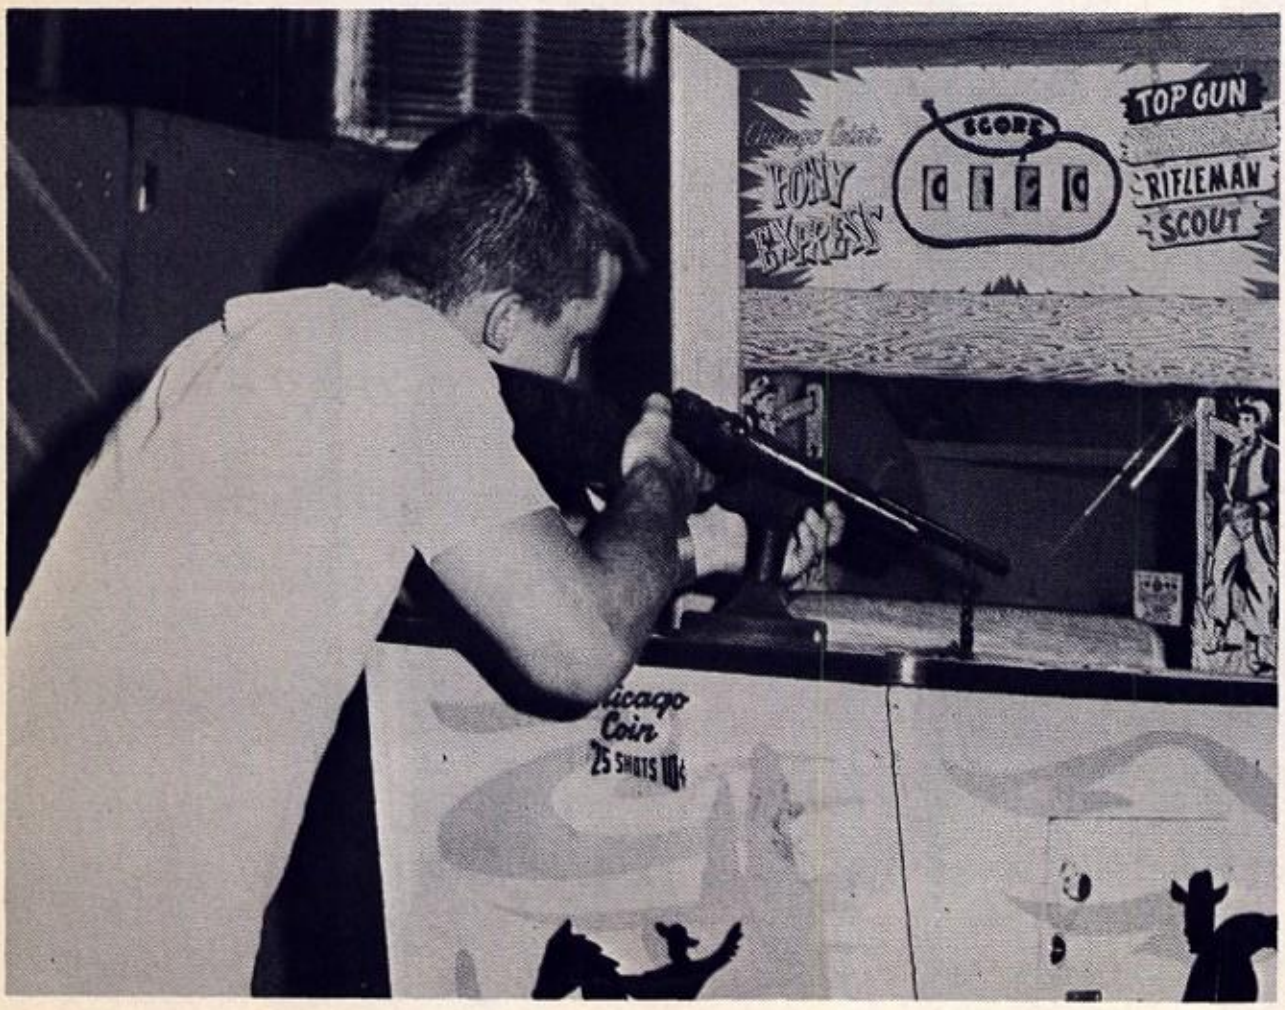
Summer Brings Fun And Excitement To Edison Students

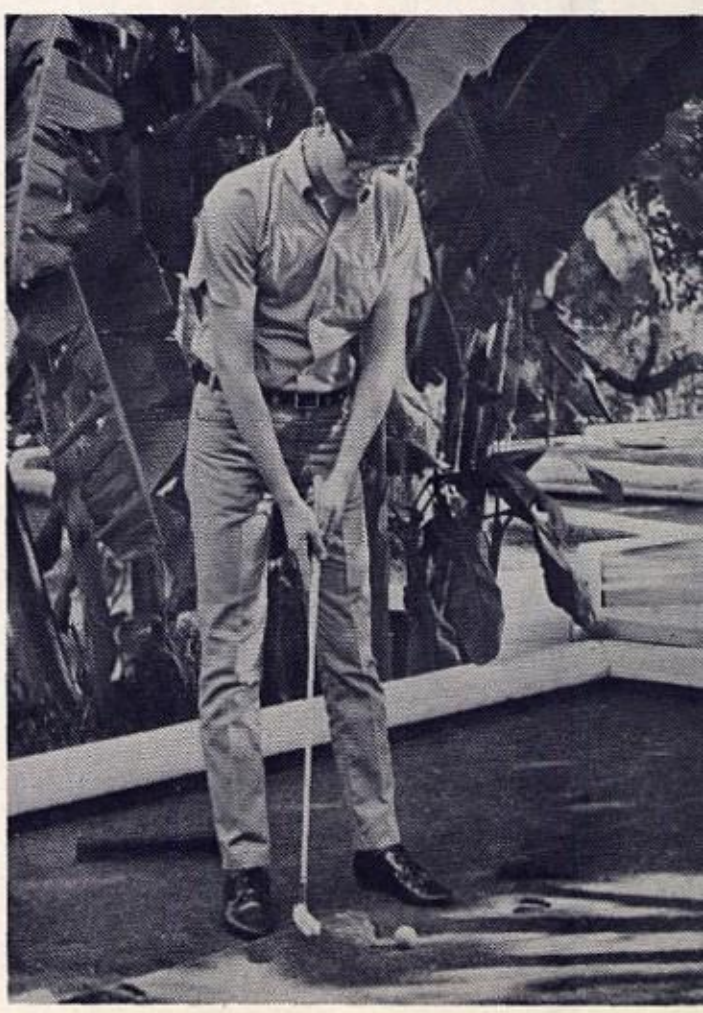
Jim Robbins, Melinda Meyer, Diane Rohl, and Carole Smock eagerly wait for the merry-go-round to start.

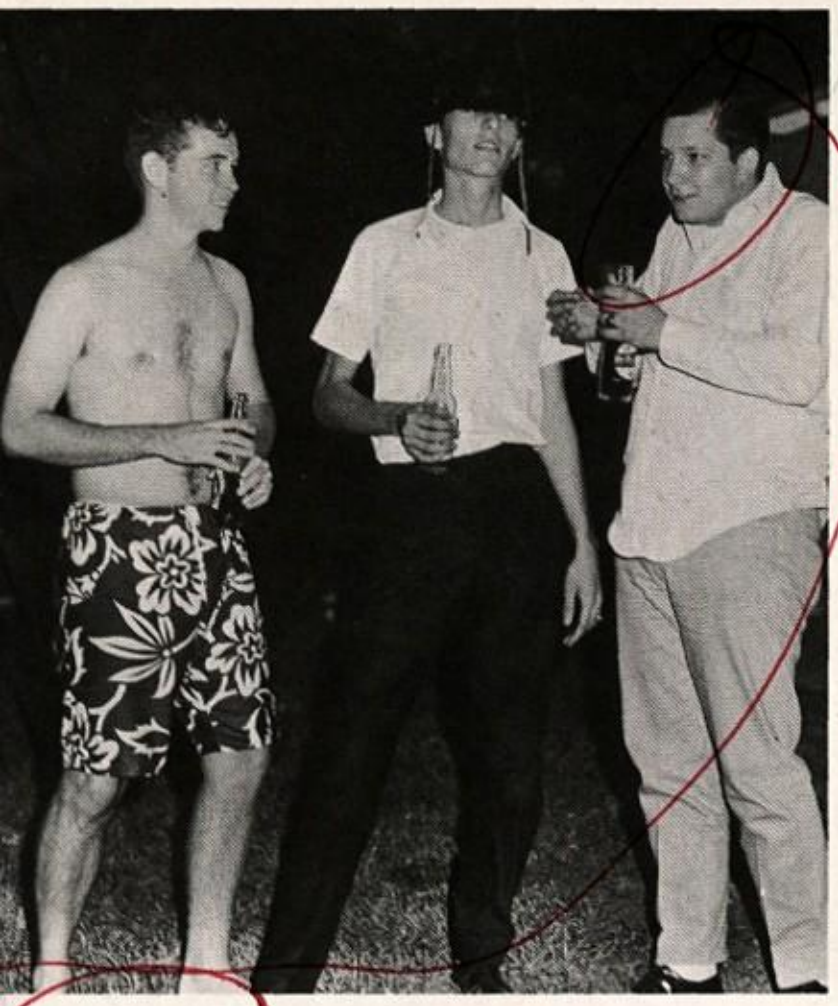


Senior Sue Porter shows juniors Lynn Droit- court and Tim Shively her method for a perfect shot.

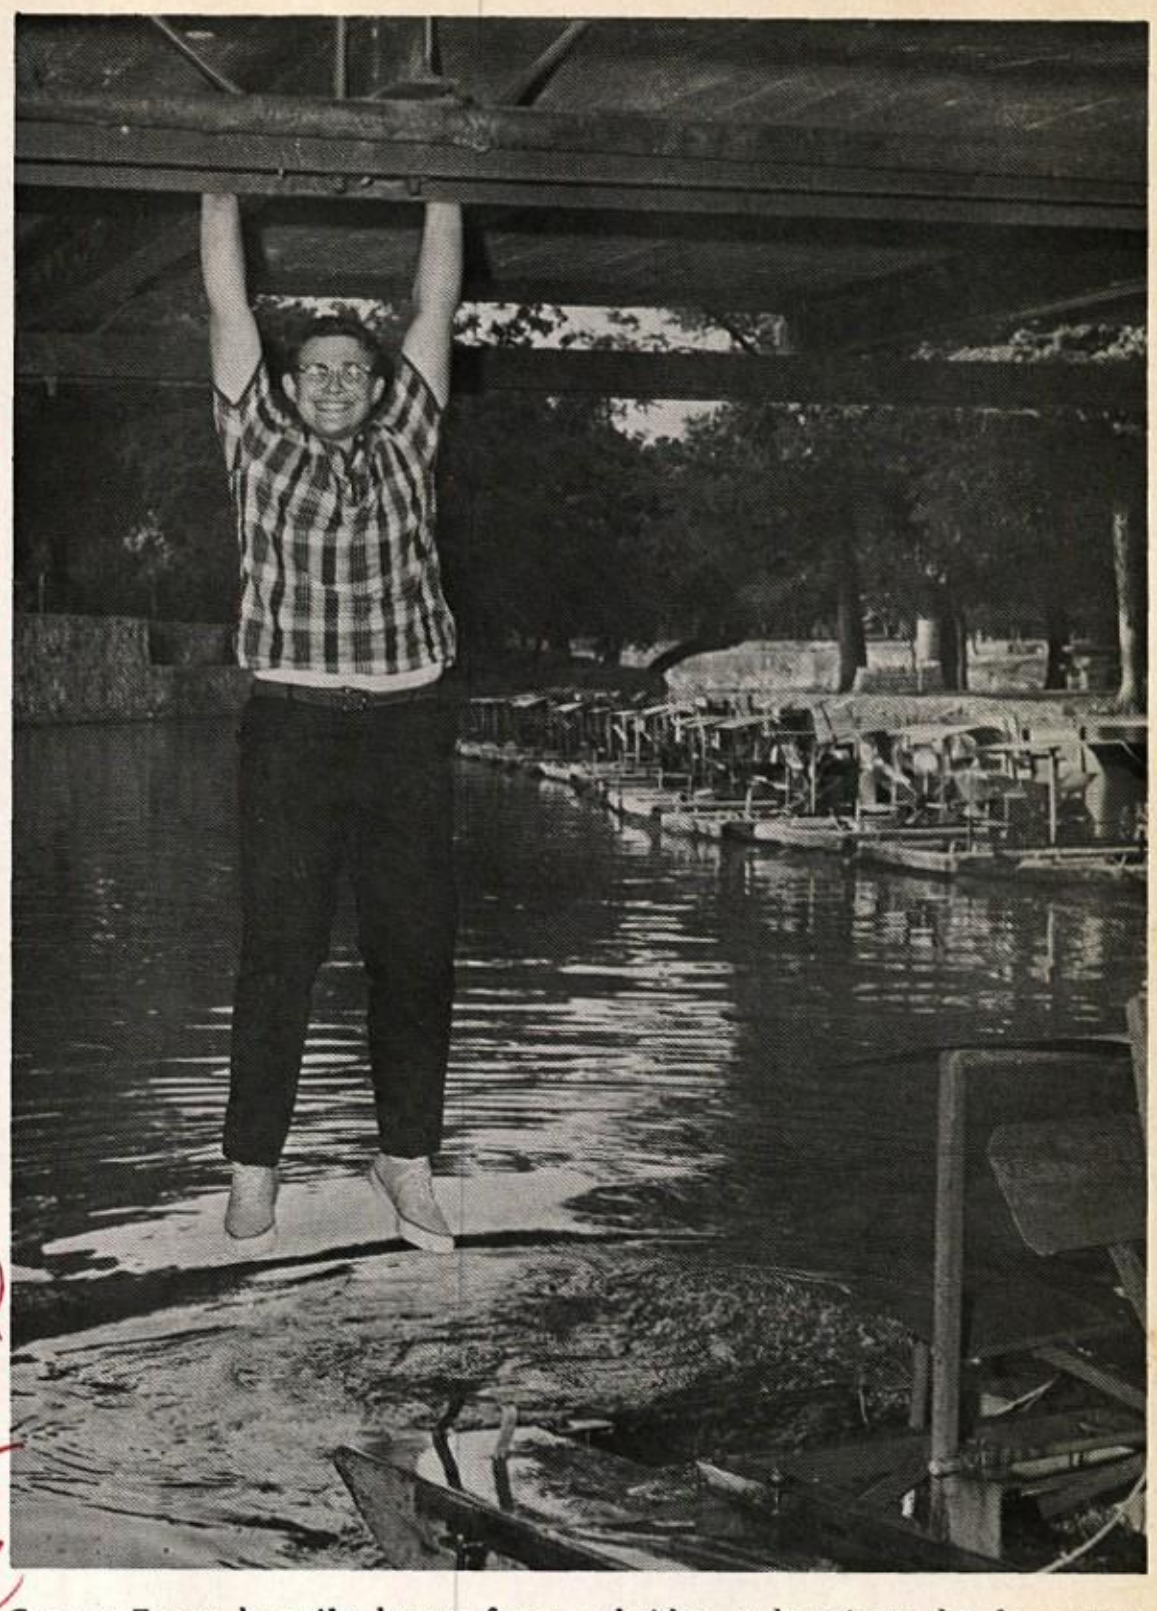
Bill Hamilton takes careful aim at a fast moving target.







ike Bryan tells Art Farrell and Eddie Farrens about
s hair-raising ride on a go-cart.



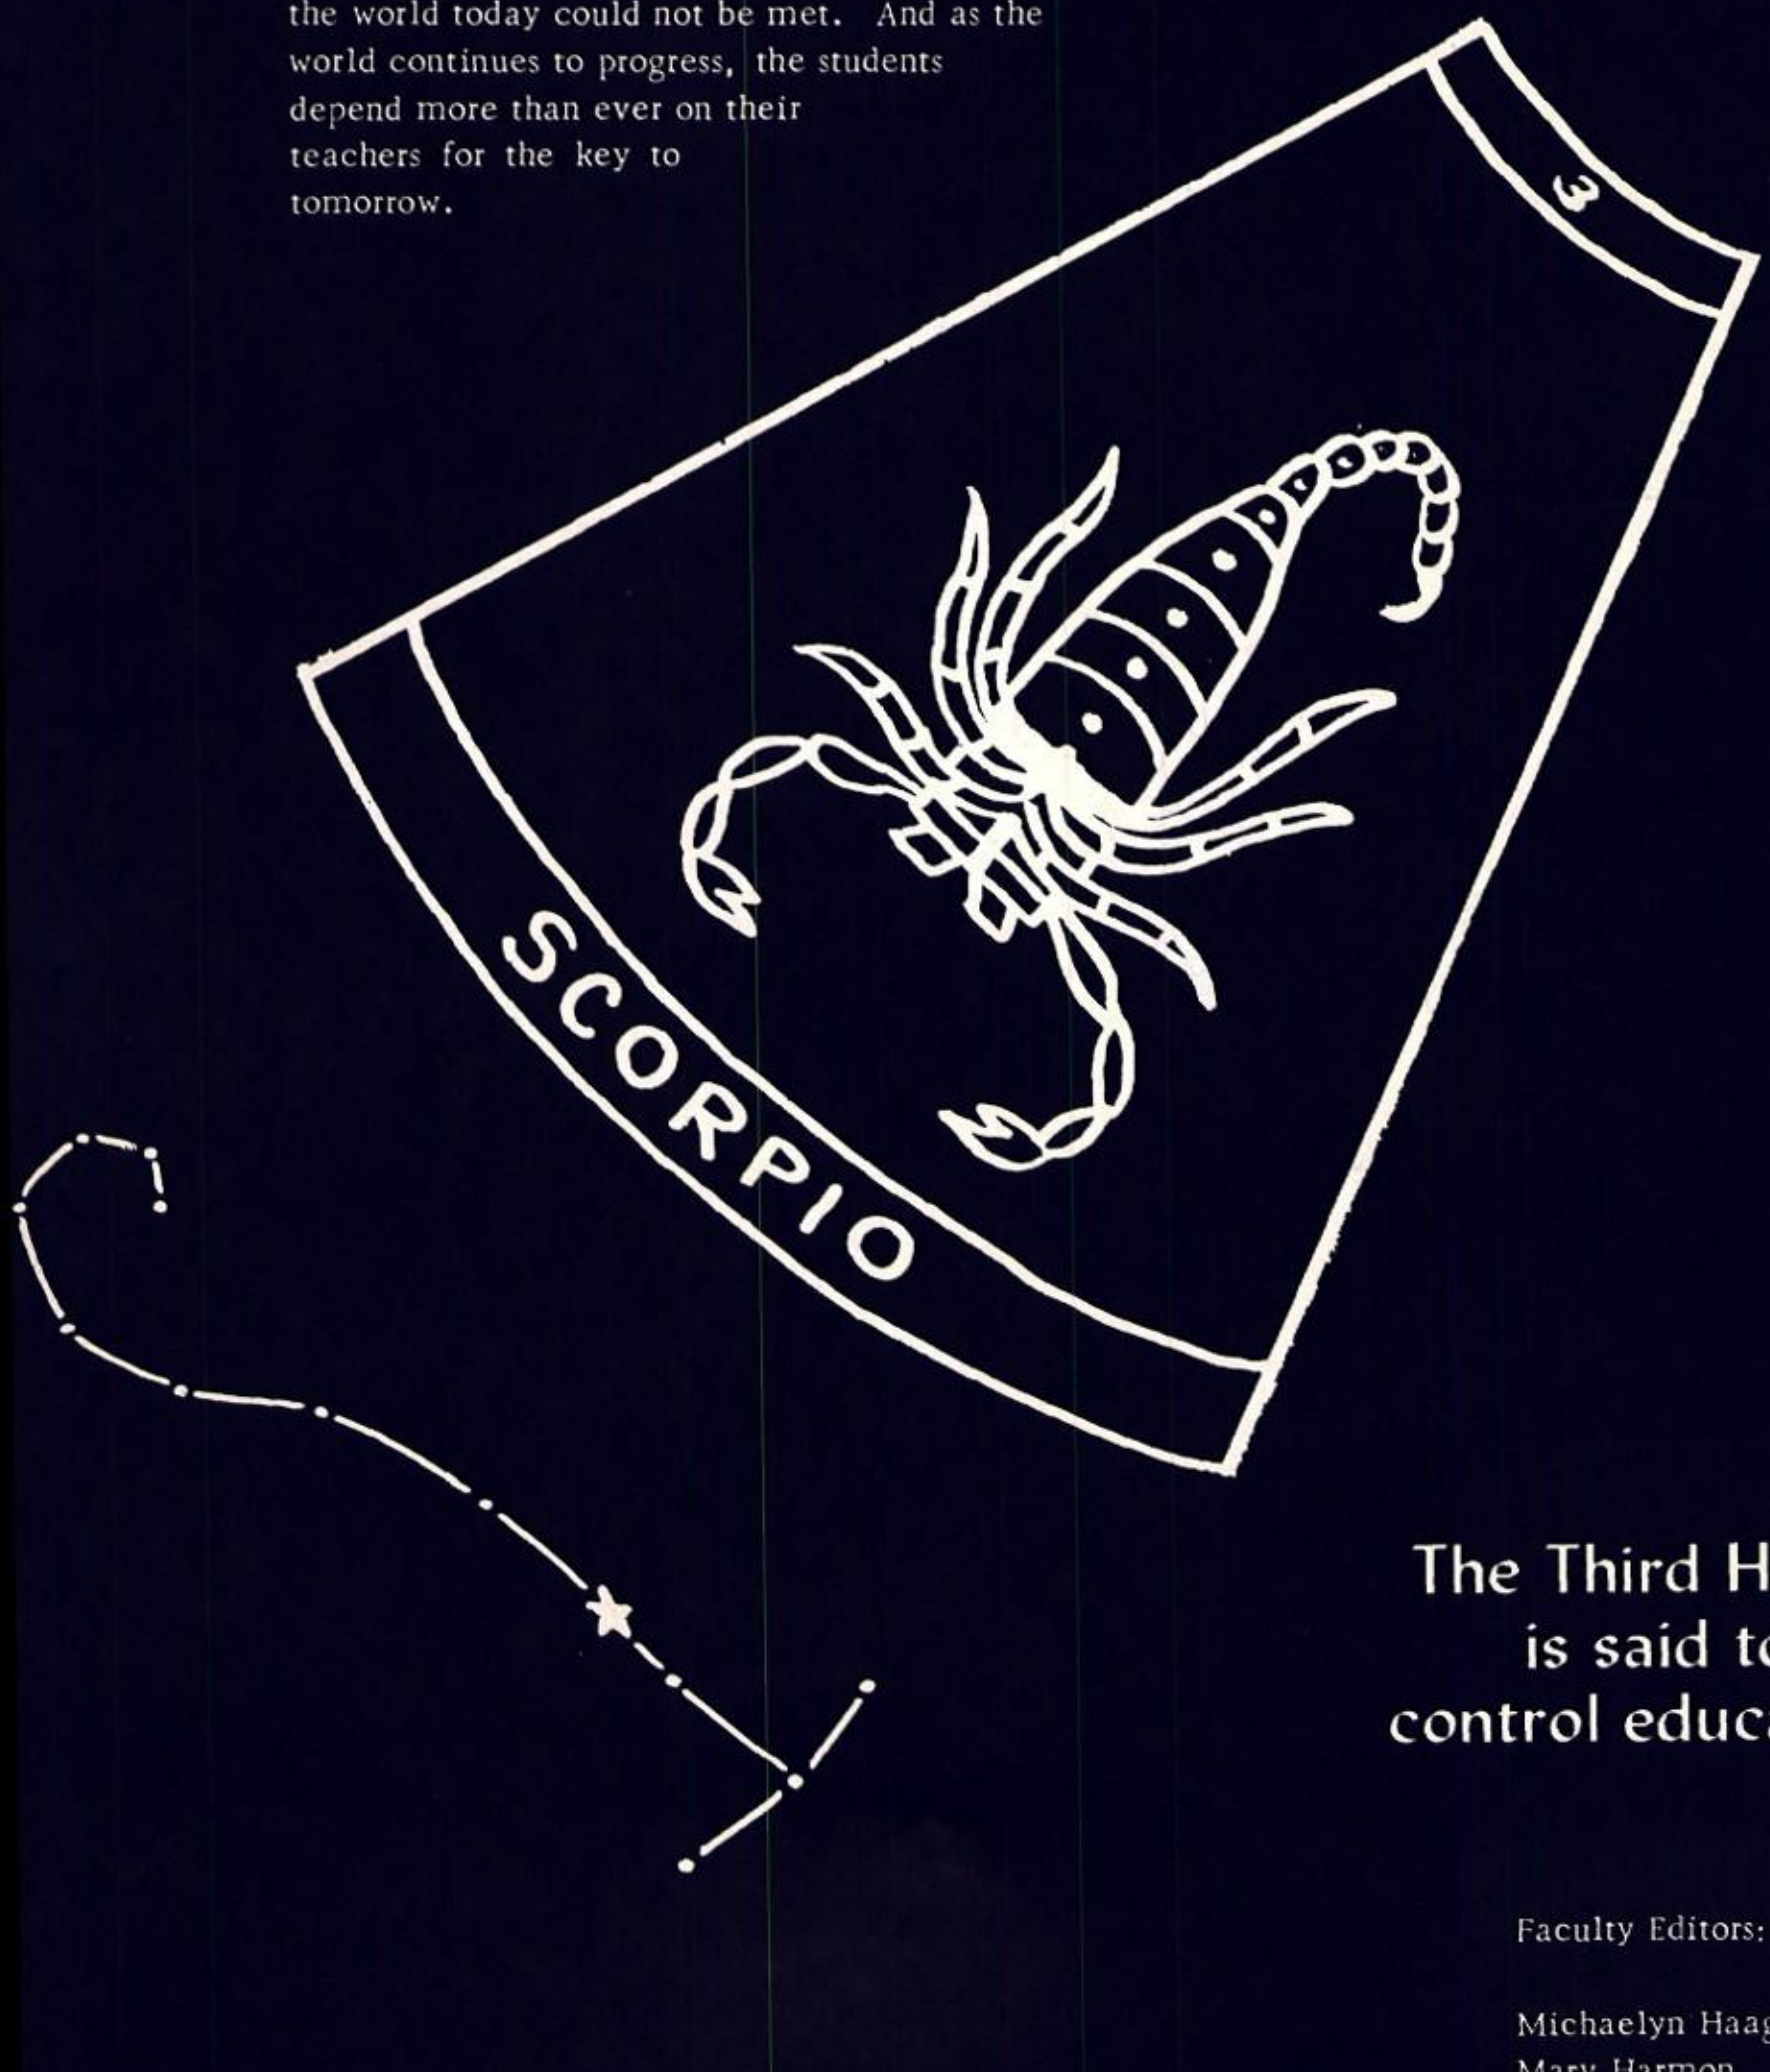
George Eager happily hangs from a bridge as he views the departing paddle boat.

ynn Droitcourt marks her
core while Fred Girodat fin-
shes round.

After a hot summer day, Edisonites cool off in a backyard pool.

Faculty

JUST AS THE Big Dipper denotes the Great Bear, the third house of the Zodiac, represented by Scorpio, denotes the faculty. Without the dedication of a well trained and experienced faculty, the high educational standards required in the world today could not be met. And as the world continues to progress, the students depend more than ever on their teachers for the key to tomorrow.



The Third House is said to control education.

The School Year Begins At Edison

THE BEGINNING OF school marks a time of adaption for all students. The sophomores feel the change most acutely. Many of them find the class notes, pop tests, and extra reading reports a completely different concept to deal with. For the juniors the change is slight. The shining expectation of receiving a senior ring in May drives them on through another year of hard work. But for the seniors this year means something more. Its end means the end of all the fascinating experiences met each school year. The pep rallys, the assemblies, the dances, the plays--these are all experienced for the last time, and will be remembered always.

Carol Duderstadt, Student Council member, stands ready to help any of the parents visiting Edison.

Mrs. Ross points out to her first sophomore English class the many fallacies to be avoided when making a logical statement or inference.

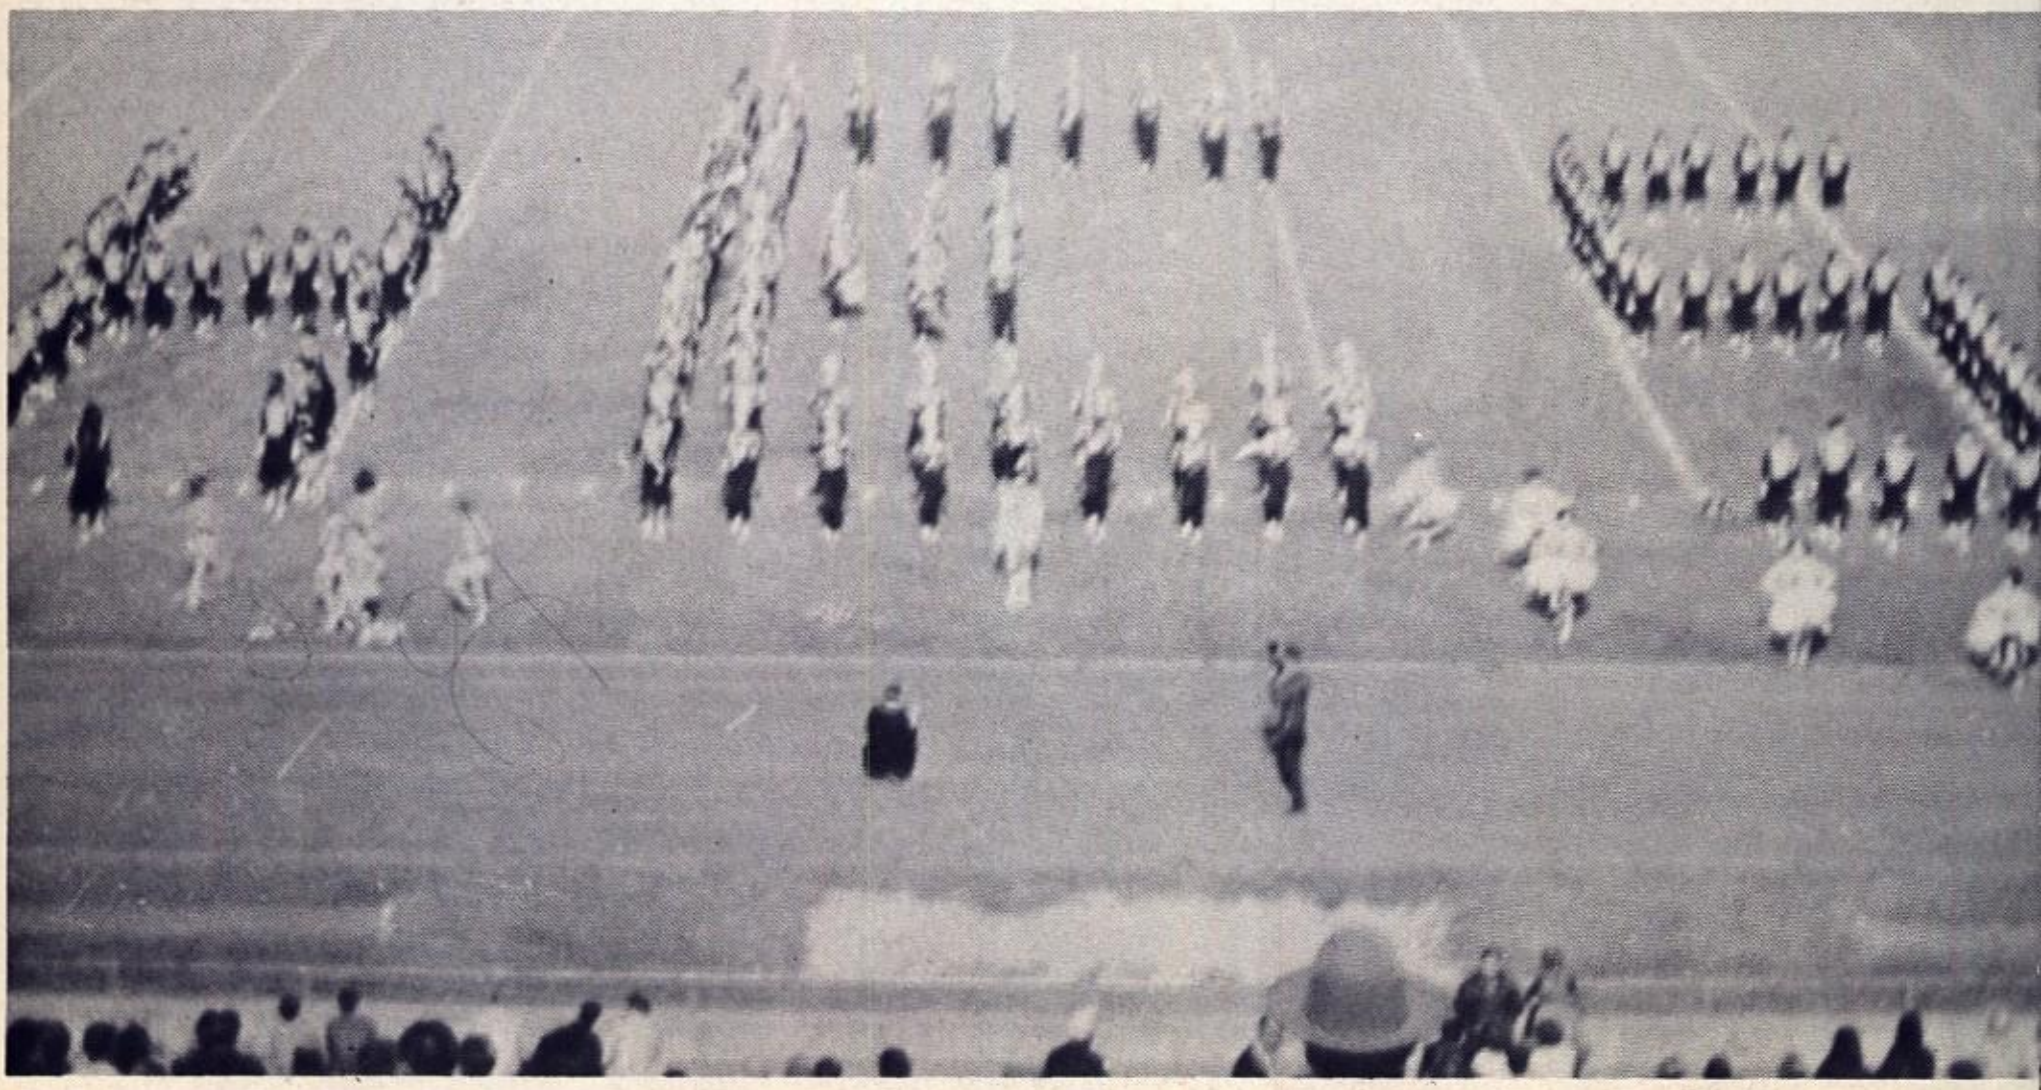
Varsity cheerleaders, Sarah Hester, Marsha O'Neal, Melinda Meyer (head), Fadra Bellinger, and Tami Gibson perform duri one of Edison's halftime shows.

Spirit Comes Alive In Football Season

The combined marching units of Edison High School, consisting of the Golden Bear Band and the Honey Bear Pep Squad, fo their traditional E. H. S.



ison majorettes demonstrate their skill as they perform their part in the show.

FOOTBALL SEASON ARRIVES with an electricity felt by everyone. Many students become aware of the excitement Monday when they hear the Golden Bear Band practicing for half time. Soon others share in their enthusiasm, and before the day is over everyone is aware that this is the Big Week. As each day passes, the static condition grows until it is climaxed at the pep rally and at the game that night.

This is the pattern of excitement which continues until the last week of the season. Each person plays an important part in building this spirit. To the students and players alike, there is nothing quite like football season.

Fadra Bellinger picks up her megaphone in preparation for "Megaphone Yell".

isonites support the football players and show their spirit by yelling the tradi-
onal "two-bits."

School-Wide Dances Play Major Rol

Genii, tramps, and country hicks all make an appearance at the Halloween Dance.

SCHOOL AND ORGANIZATION-sponsore dances are an important part of the activities o many Edison students. Three of these dances the Halloween Dance, the Howdy Hop, and th Western Dance took place last fall.

The purpose of the Howdy Hop, given dur ing the first week of school, was to welcome th sophomores and to acquaint them with the up perclassmen. The Halloween Dance, tradition ally a costume party, was sponsored by the Stu dent Council. The money which the Studen Council received from the admission price wa used for various school projects. The Senio Planning Board sponsored a Round-Up, using th funds to lower the senior dues.

Leon Payne entertained students who attended the Western Dance.

Color Day Highlights Football Season

COLOR WEEK BRINGS a flurry of colors to Edison. Each day students wear special colors to signify the coming victory. Many students' cars are decorated for a prize given by the Student Council. On color day, Friday of the week, a few hurried hours of frenzied preparation result in a school draped completely in Black and Gold.

Color Week will remain in our memories as a time of grandeur and beauty, marred only by the remembrance of its end.

Being a school leader is one of the highest honors bestowed upon a student. This honor represents the trust held for him by the students and faculty. A lot of time is devoted by each of these officers in making their club outstanding. Each officer must maintain at least a B average so that they will be able to carry the extra responsibility of leadership. It is the SPARK staff's privilege and honor to salute Edison's ten-point officers.

Sports and Spirit

THE SIXTH HOUSE, Aquarius, controls hard work. Behind every good athlete, you will find this idea.

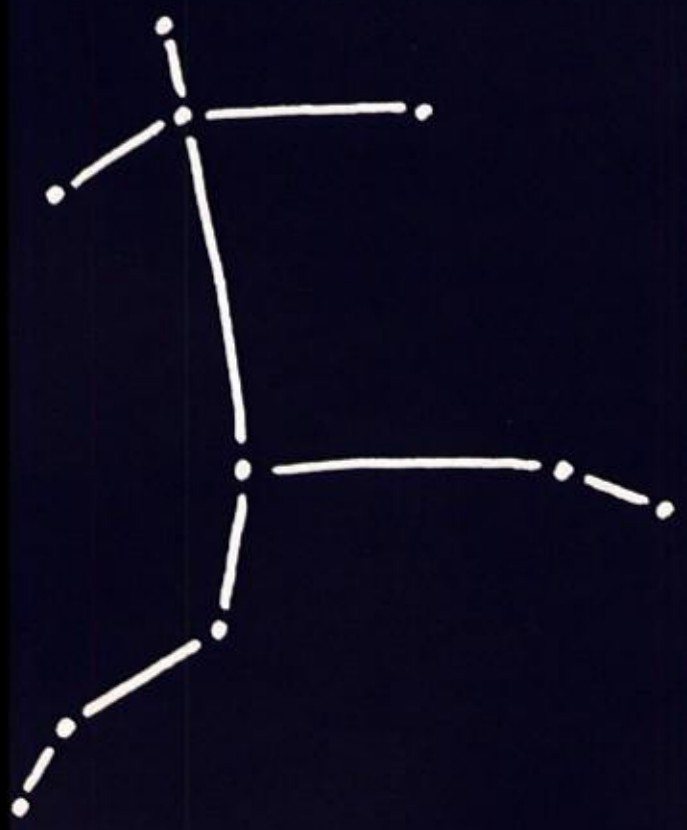
Sports contribute as much to an education as the work done in the classroom. The many hours the various athletes spend in practice will bring them rewards long after they have graduated.

Our football team began our sports year. We attended games and were proud of our fighting Bears.

The basketball season brought cheers and sweet victory.

In the spring, our track, golf, swimming, tennis, and baseball teams played their best.

Although we did not always win, we will remember the fine sportsmanship displayed by our players.



The Sixth House is said to control hard work.

We Win By Forfeit

3-0 Decision Reversed

THE FIGHTING GOLDEN Bears captured their first win of the season a month after the game was played. Because of an ineligible player on the Austin-Travis team, they forfeited 1-0.

The game was an impressive fight by Edison's defense. Surprising the experts, the Bruins held the Rebels to a score of 3-0. Austin's only score came on a field goal in the third quarter.

Edison stymied Austin-Travis. During the first half, the Bears held the Rebels to only one first down.

And so, we entered the 66-67 football season with spirit, determination, and that indescribable feeling that only the end of the season can define.

n anxious moment on the field holds the attention of these Bears.

THE SECOND GAME of the season ended in defeat for the Edison Golden Bears. Raymond Acosta made the only touchdown of the game and Tommy Findeisen ran for the two extra points.

Statistically, the Bruins out-downed and out-passed the Rams. The final score was 28-8. An Edison fumble in the first quarter set the Austin-Johnston team up for their first score.

In the second quarter the Rams drove 46 yards for their second touchdown.

This was the second game of the season. We've had Our warm-up and now the six district games await us.

A CRASHING DRIVE through Roosevelt's line climaxed a 51-yard drive to give the Bears the first of many touchdowns to follow.

The second quarter closed with two more touchdowns for Edison. The second touchdown came after a Roosevelt fumble which led to a 41 yard scoring drive.

One of the touchdowns in the third quarter came on a 75 yard run by Raymond Acosta.

The surprise of the evening came when "unknown" Jerry Aguilar ran up 68 yards and three touchdowns.

The night of the game will long be remembered as the sweet taste of success.

A crashing drive by Bill Hamilton (21) gives the Bruins their first touchdown.

Bears fall to Brahmas

PLAYING WITHOUT INJURED tailback Raymond Acosta and center John Daniels, the Edison offense showed little power against the tough defense of MacArthur.

Under the control of Rocky Self, the Brahmas ran up a score of 55-0.

Two seniors, Bill Hamilton and Robert Cortez, stood out in defense.

Highlands Owls 42, Edison Bears 0

It was a long night . . . . .

WITH SENIOR QUARTERBACK Tommy Findeisen and fullback Raymond Acosta out with injuries, the Bears lost to Highlands' Owls 42-0. Under the calls of sophomore quarterback Leslie Findeisen and junior quarterback Howard Kresta, the Bears gained only 78 yards on the ground and 16 in the air and became another victim of the Owls' strong defense and powerful offense. The Highlands squad was filled with veterans of varsity experience and they showed it.

ears Lose By 1 Point

THE BEARS LOST a close one to the urchill Chargers by a single point--14-13. e Bears scored first on a four-yard run up the iddle by fullback Ray Acosta. Ronald Steffen cked the extra point and the score was 7-0.

The Chargers scored 14 points in three min-s, one score set up by an Edison fumble on Bears' 17 yard line.

Doug Malone scored the second touchdown a five-yard run after the Bears recovered a arger fumble on the Bruin 24-yard line. The ra point try was no good, and the score stood argers 14, Edison 13.

The Bears appeared to take the lead after 7 d TD run by Ray Acosta, but the score was ed out by a holding penalty against the rs. From there on neither offense could ster enough strength to score.

Cherokees Scalp Bears

AFTER HOLDING EDISON on four downs the Sam Houston Cherokees moved 84 yards on a pass for their first touchdown. The Cherokees next score came in the third quarter after moving the ball 54 yards on 12 plays with Collin scoring on a seven yard scamper. The extra point try was no good and the score was 13 to 0.

The Indians final score came in the third quarter when Robert Gill returned a punt 54 yards into the end zone. The kick was good and the score was 20 to nothing.

In the last minutes of the game Edison tried to start a drive as sophomore quarterback, Leslie Findeisen, connected on three passes, but an interception halted the drive.

Bruins Panic Lee

We're First to Score on Lee, 12-35

THE ROBERT E. LEE Volunteers defeated the Edison Bears by a score of 35-12. The Bruins showed surprising strength in two second period touchdowns drives before falling to the superior strength and depth of the Volunteers.

Lee was on the scoreboard immediately when an Edison fumble was recovered by Vol tackle Jerry Townsend. The second Lee touchdown came on a blocked punt.

The second quarter was a different story as the Bear offense came to life with an eighty yard drive for their first touchdown. The second score came on a 46 yard pass from Tommy Findeisen to Douglas Malone. Lee came on strong in the second half with the final score 35-12.

36-0 Defeat

A FIRED UP Jefferson team defeated the Bears 36-0. The first Jefferson score came as David Fluitt took the opening kick and sprinted to the Edison 45 yard line. The next play found Jeff inside the Edison goal. Jeff scored twice more in the first quarter. The second half was the same as Jeff added 14 points to their total.

The Bears could never put together a drive as the Jefferson defense was at its best.

Clubs and Organizations

SPRINGING FROM ACADEMIC courses, the various clubs of Edison High School plan and carry out social activities.

These clubs, such as the French, Science, and Literary Clubs, promote student interest by exchanging ideas and discussing topics vital to their groups. Other clubs, such as the Student Council, act as a representative body for all the students.

During the year the clubs participated in candy sales to pay their expenses.

All through the year, the tenth house, Gemini, guided their way.

German Club Enjoys Outing

THE HIGHLIGHT OF the German Club year was a visit to an authentic replica of a German village-Lendenthal. The miniature buildings include a castle and a church. They were built by the owner from memories of his onetime home. In these ways the German Club promotes interest in the people and the history of Germany.

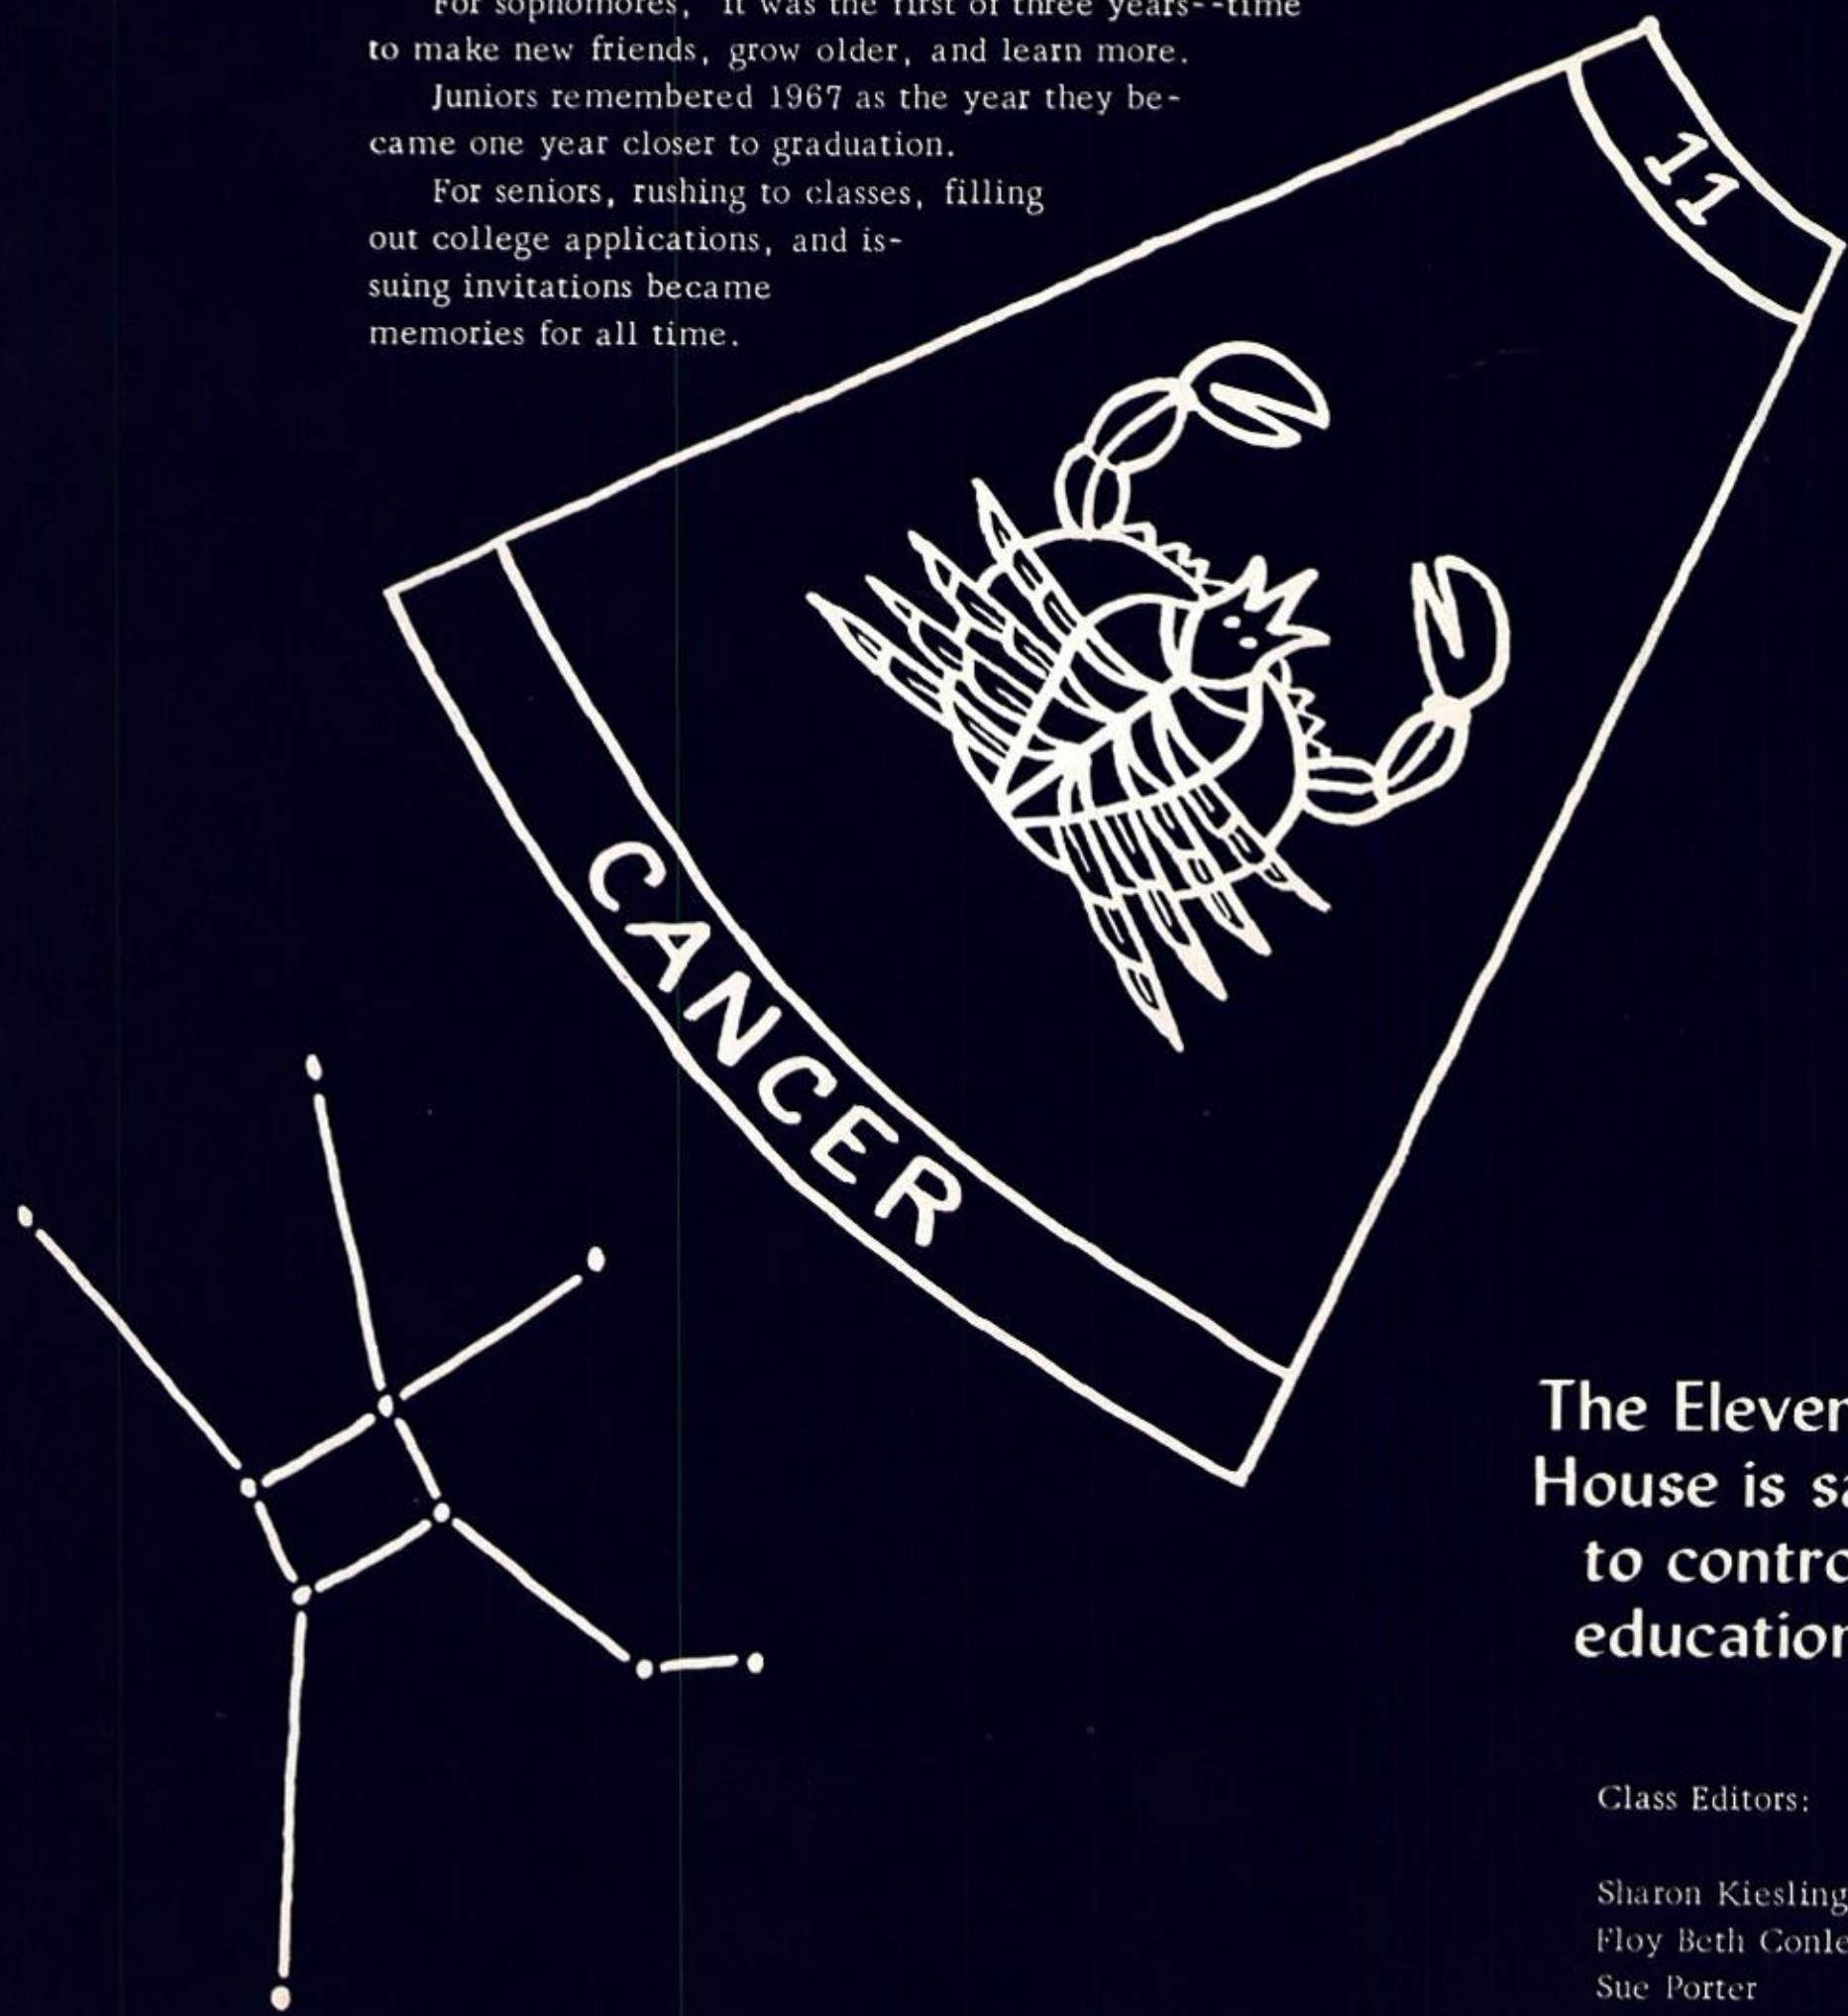
Classes

SOPHOMORES, JUNIORS, AND seniors crowded Edison's halls for nine months of the year. This school season belonged to Cancer, the eleventh house, which controled education.

For sophomores, it was the first of three years--time to make new friends, grow older, and learn more.

Juniors remembered 1967 as the year they became one year closer to graduation.

For seniors, rushing to classes, filling out college applications, and issuing invitations became memories for all time.



The Eleventh House is said to control education.

Advertising

LIBRA, THE SECOND house, is said to control money. Money is the key word in annual production. Without the backing and the advertising of businessmen, our SPARK would be priced too high for students to purchase.

In the signs of the zodiac, Libra denotes the balance. This balance between advertiser and customer is the equilibrium of the SPARK.

TRINITY UNIVERSITY
Founded 1869

The Quality University in San Antonio where you may pursue your higher education in any one of twenty-six academic fields. Inquiries concerning admission requirements should be addressed to the Director of Admission, Trinity University.

Trinity Tower spires over former Edison students Sally Flournoy, Terry McCarty, and Clay Robison.

With her escort John Zobheib, Sarah Wallace dances her way down the Teena Texas aisle wearing one of Joske's creations.

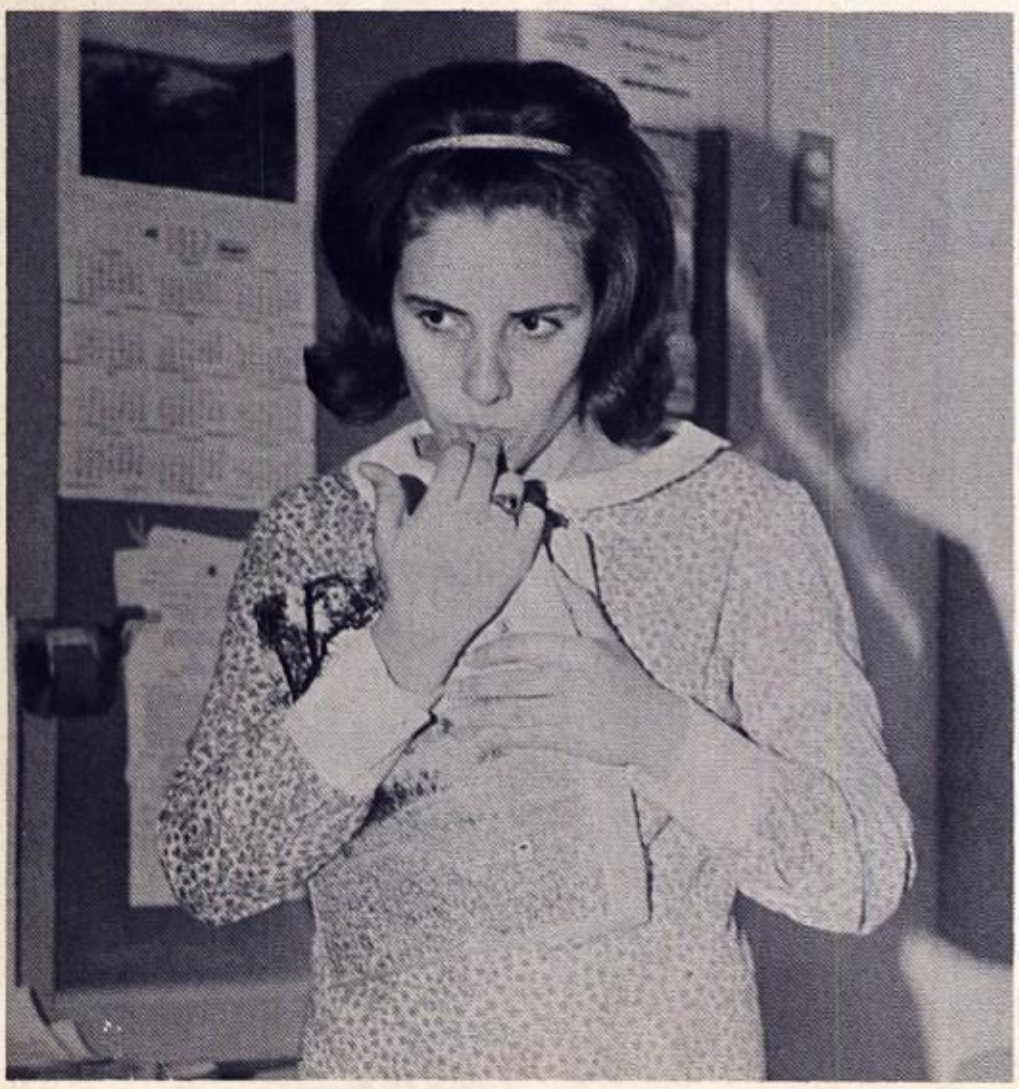
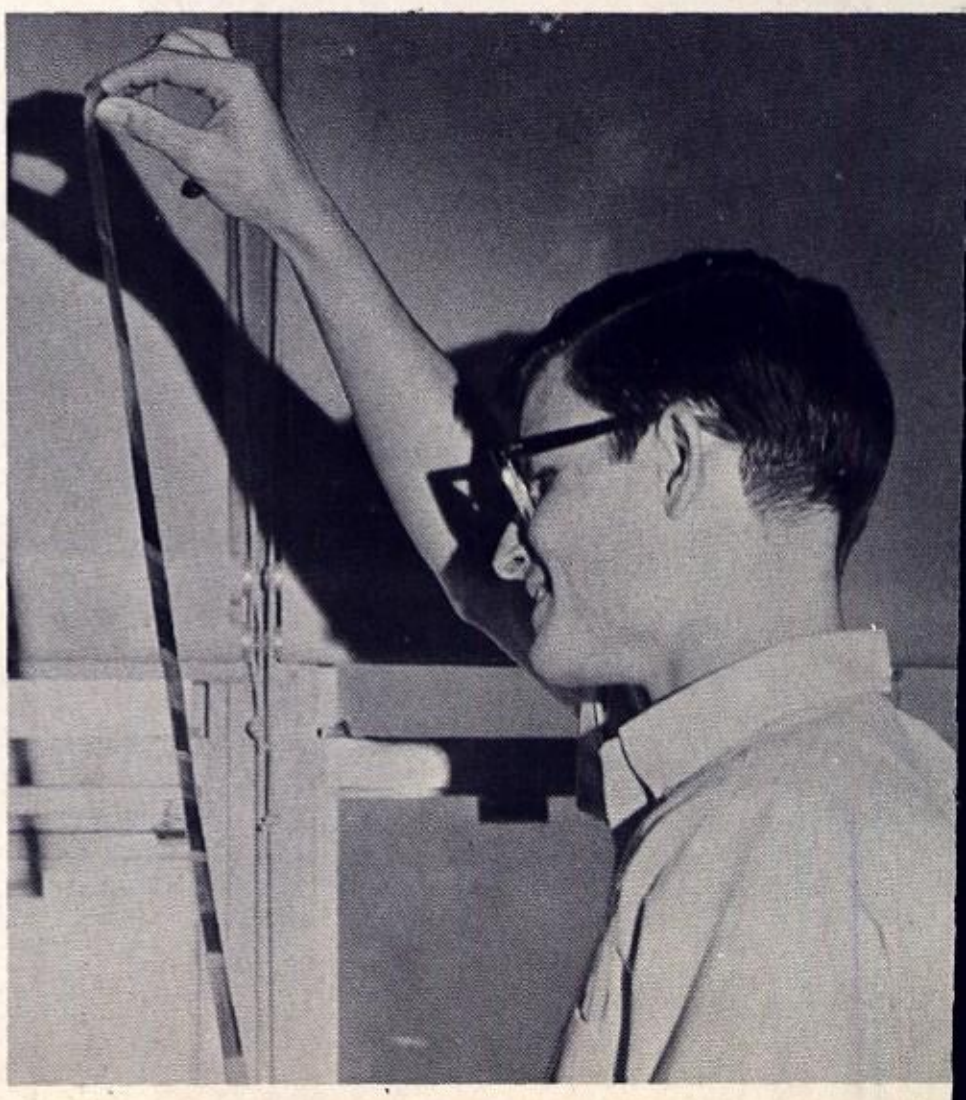
SPARKers Struggle With Pages

Caroline Maley ponders over page problems.



Albert Freitag examines a roll of negatives.



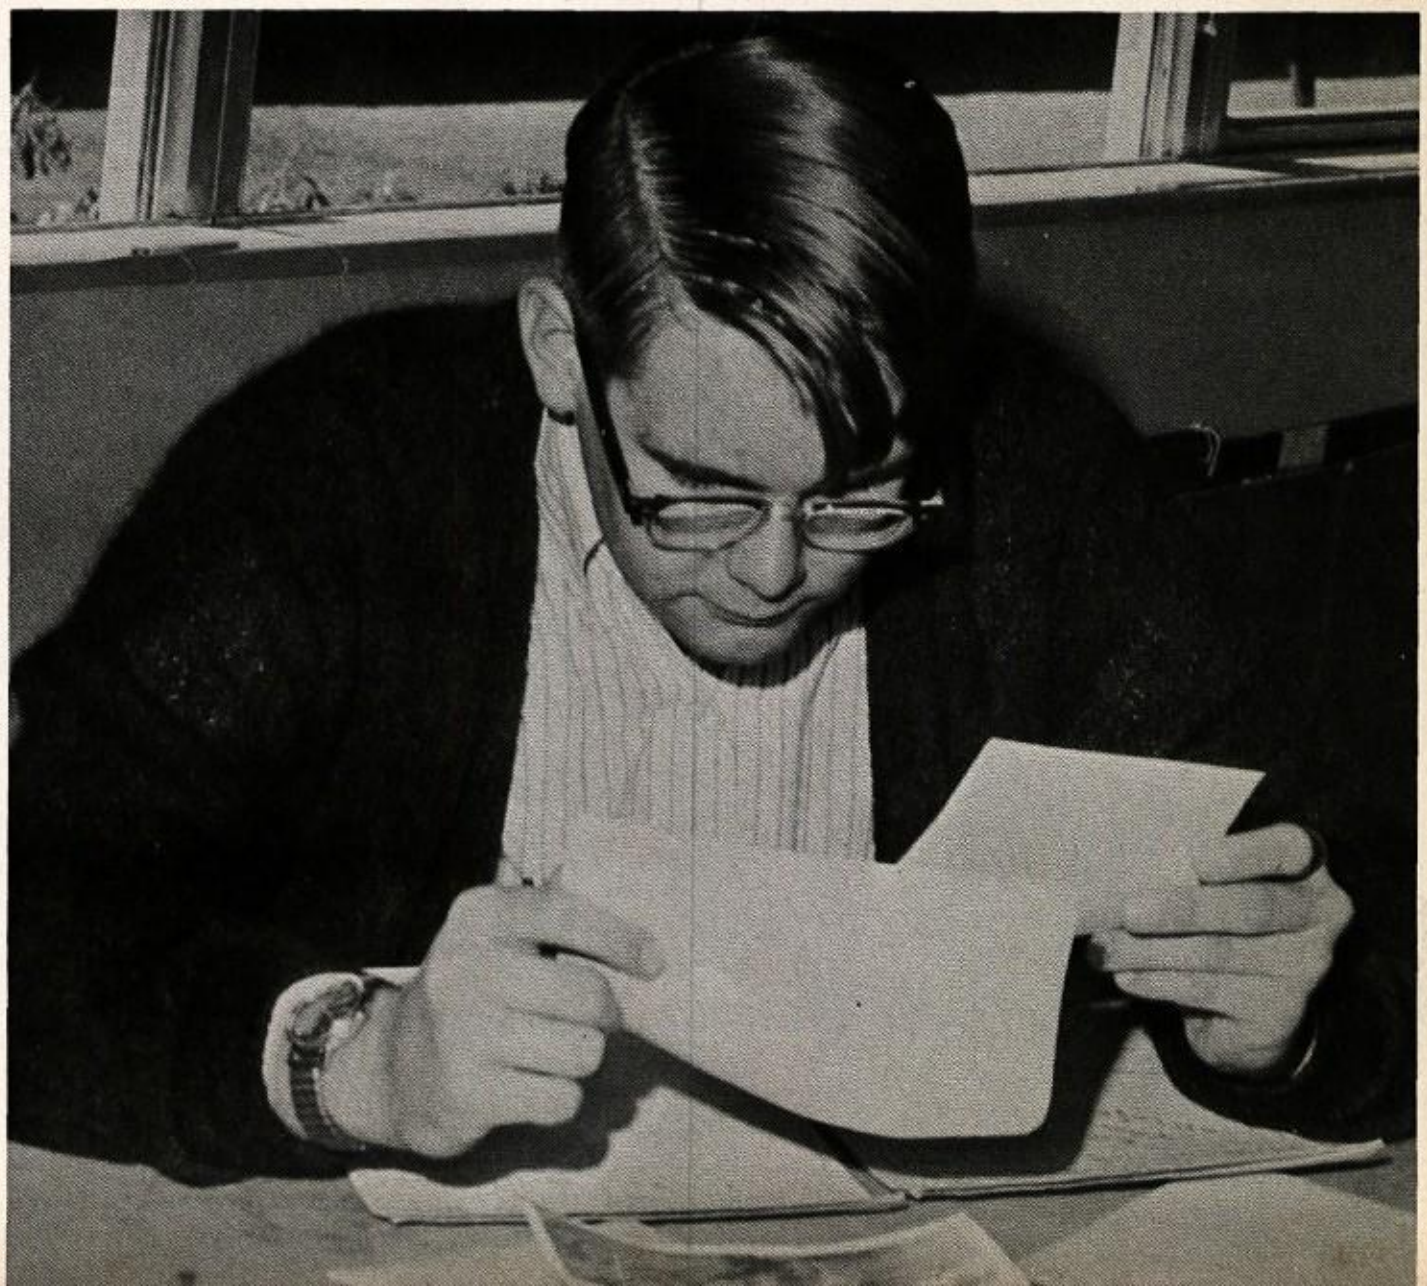
Kathy Crane and Sharon Kiesling sort pictures for the Senior section.

Jim Sinclair decides which action shot to use in the Sports section.

IN THE BEGINNING--chaos,
nfusion, disorder, and mayhem.
r SPARK is just a word, a thought,
d a plan.

From out of this disorder we
nehow manage to get our pictures
ken, get our pages in, and meet
bly Heart Attack) our deadline.
e SPARK is a reality.

Out of the minds and hands of the
ffers our book is completed, all
) pages in, ready for the press and
ally on 'that' day in May, distri-
ion. This is the end, SPARK 67'.



Mrs. Norma Reed, smiles as she gets the last page of the annual to proof read.

Floy Beth Conley, Melissa Boyett, Mary Harmon, and Michaelyn Haag find that fitting pictures in layouts is not always easy.

Carol Duderstadt, Sue Porter, and Jody Ehrhardt look through exchange annuals for new page ideas.

Emory Jones and Charles Kuhfeldt read over copy for various sections of the yearbook.

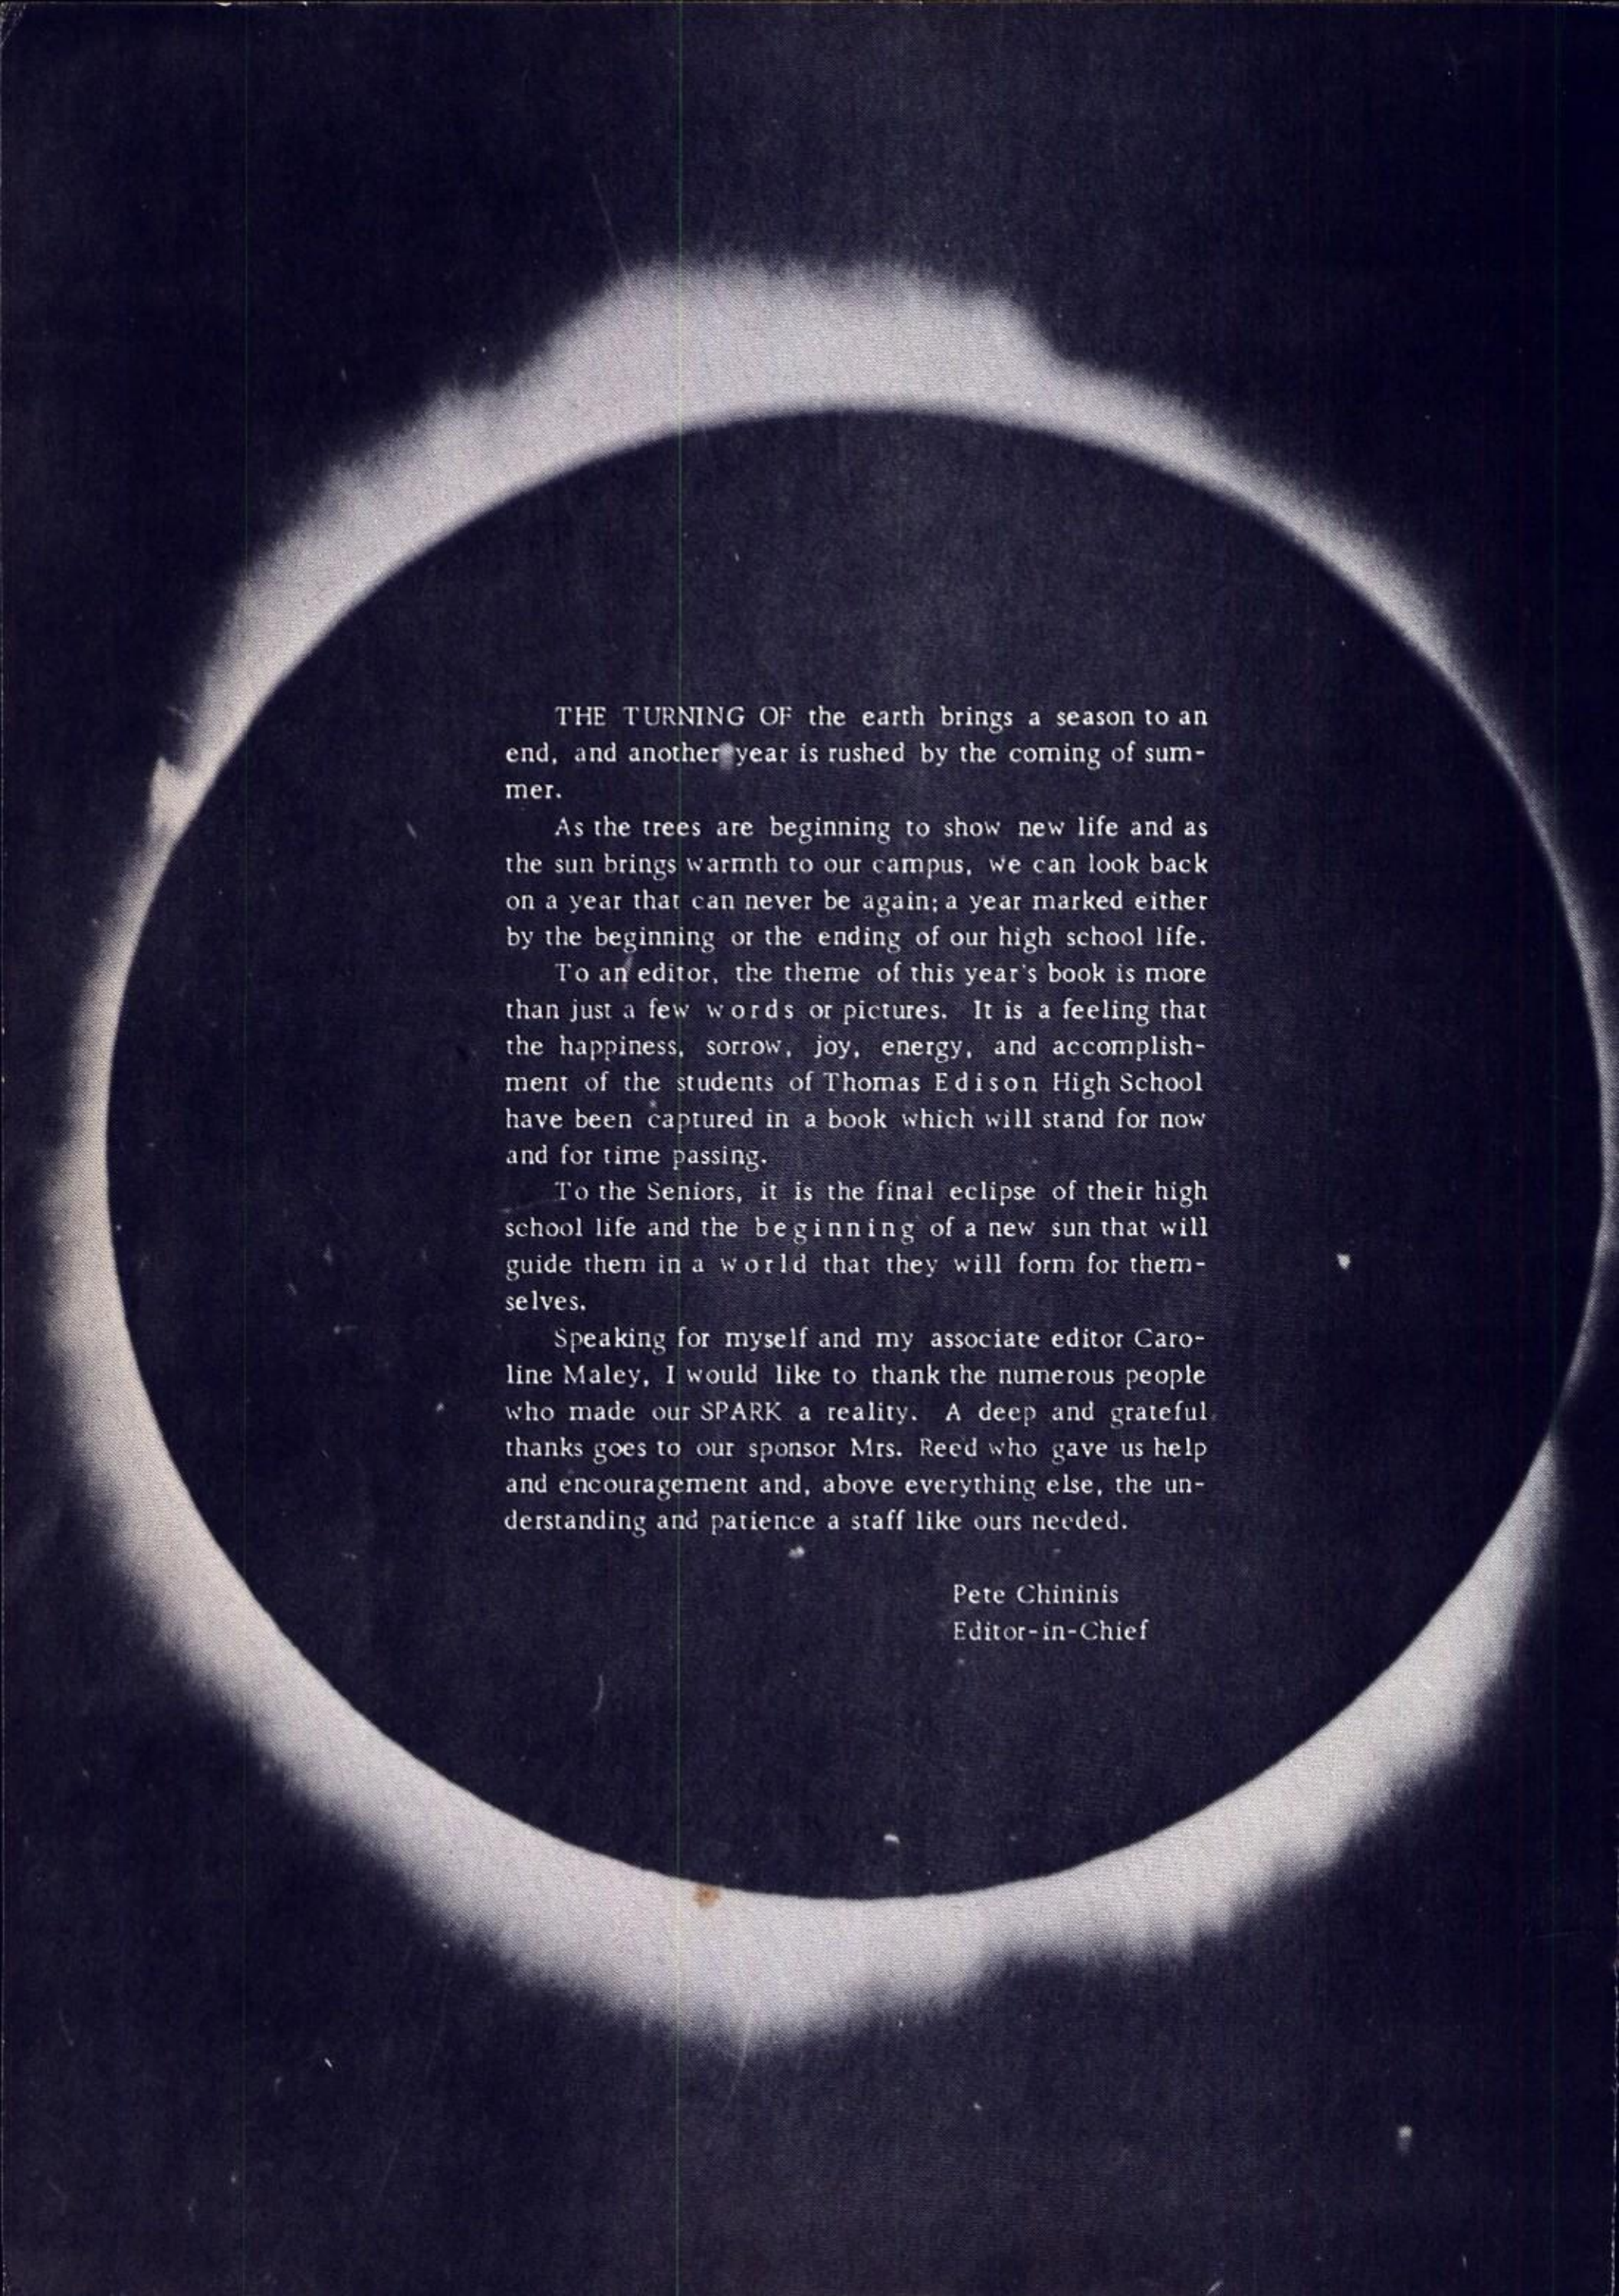
Love & Best Wishes
Dear Friends!
Dan Cook



THE TURNING OF the earth brings a season to an end, and another year is rushed by the coming of summer.

As the trees are beginning to show new life and as the sun brings warmth to our campus, we can look back on a year that can never be again; a year marked either by the beginning or the ending of our high school life.

To an editor, the theme of this year's book is more than just a few words or pictures. It is a feeling that the happiness, sorrow, joy, energy, and accomplishment of the students of Thomas Edison High School have been captured in a book which will stand for now and for time passing.

To the Seniors, it is the final eclipse of their high school life and the beginning of a new sun that will guide them in a world that they will form for themselves.

Speaking for myself and my associate editor Caroline Maley, I would like to thank the numerous people who made our SPARK a reality. A deep and grateful thanks goes to our sponsor Mrs. Reed who gave us help and encouragement and, above everything else, the understanding and patience a staff like ours needed.

Pete Chininis
Editor-in-Chief

Frank:
Good luck in all
you do. Hurry up
this summer & I
hope I'll see ya
sometime this summer
Love ya much
Susan Boden Stevens

Frank!
To one of the greatest guys I've
known! I hope we can
remain friends eventhough you've
gone from dear ol' Edison! I
know I'll always hold you
place in my heart for you, Frank,
'cause you're my kind of people,
